b1

Information with respect to VVAW/WSO Regional Conference 5/25-27/74 at Riverside, California, has been referred to briefly in this report and will, in addition, be the topic of a separate letterhead memorandum (LHM) to be submitted, shortly by Los Angeles Division.

LA 100-77703

Detailed information regarding the VVAW/WSO [redacted] meetings and [redacted] and [redacted] for the California/Nevada Region including demonstrations has been previously furnished to Bureau and other offices by separate disseminatable communications and therefore only brief summaries are included in this report, where applicable. b7D

Membership figure noted in this report are specifically set forth as estimates. Reliable informant coverage indicates a downward trend in membership recently. This may be in part a result of recent formation of the American Veterans Movement (AVM) as organized by RON KOVIC, former VVAW/WSO coordinator. Comment regarding AVM has been kept to a minimum in this report, however, as Bureau by separate communication has indicated it poses no revolutionary threat and Los Angeles case is closed per Bureau instructions.

The following Special Agents of the FBI observed activities reported in this report as noted:

Special Agents [redacted] and [redacted] Los Angeles Division, demonstration 12/23/73, page 11. |

Special Agent [redacted] et al, St. Louis, Division, observed National Steering Committee meeting held 8/23-27/73, St. Louis, Missouri, page 22. b7C

Information copies being sent Albuquerque, Milwaukee, St. Louis and San Francisco for investigative assistance.

LA 100-77703

This investigation is based on information which indicates that captioned organization is engaged in activities which could involve violations of Title 18, U.S. Code 2383 (Rebellion or Insurrection), 2384 (Seditious Conspiracy), 2385 (Advocating Overthrow of the Government), 2387 (Sedition), and 793 (Espionage).

VVAW/WSO was organized in New York City in 1967 as an organization of Vietnam veterans to protest the American involvement in the war in Southeast Asia. VVAW/WSO engaged in various protest activities but during late 1971 demonstrated increasing militancy, culminating in December 1971 with VVAW/WSO takeover of various American landmarks and public buildings. Information was also developed indicating that some VVAW/WSO chapters were cooperating with or infiltrated by communist-dominated groups including the Communist Party, USA (CPUSA), and the Socialist Workers Party (SWP). Certain VVAW/WSO leaders were quoted as telling members VVAW/WSO is a revolutionary organization and not "just another group of war veterans." VVAW/WSO leaders have traveled to North Vietnam and have reportedly established liaison with revolutionary or terrorist groups internationally. In January 1973 at a National Steering Committee meeting, VVAW/WSO leaders discussed programs aimed at obtaining support from or influencing active duty military personnel. They also discussed obtaining access to classified Government information to be used against U.S. interests and one leader subsequently actively engaged in such activity. There were also indications at this meeting that VVAW/WSO activists possessed the technical knowledge and training to carry out any revolutionary program proposed. In August 1973 at a National Steering Committee meeting, some members of the national leadership promoted education of the entire VVAW/WSO membership in Marxist-Leninist doctrine directing the organization into political growth along Marxist-Leninist lines. The VVAW/WSO currently has a factional dispute between Maoist and Stalinist groups. The Stalinist group is supported by the National Office of VVAW/WSO. Additionally, the National Office contributed financial

LA 100-77703

support to a program of recruitment of military personnel designed to promote political indoctrination with the objective of creating disruption and disorientation within the military at such time as there is a revolution within the United States. VVAW/WSO is currently headquartered in Chicago, Illinois.

I. ORIGIN AND SCOPE

[REDACTED] (11/10/71) (6/6/74)

Source advised the Vietnam Veterans Against the War (VVAW) movement was formerly known in the Los Angeles area as the California Veterans Movement (CVM). The CVM in 1971 was headquartered at 3503 West Pico Boulevard, Los Angeles, California.

The VVAW was formed in 1967 as an organization of Vietnam veterans to protest American involvement in the war in Southeast Asia. Since that time VVAW leaders have told members the VVAW is a revolutionary group, not "just another group of war veterans." Also, the membership has been told the VVAW has been asked to cooperate on an international level with many organizations, including communist and Maoist groups. Additionally, it was indicated that "anti-imperialist groups" consider the VVAW a potent organization of similar stature in the United States. In April 1973 the group changed their name to VVAW/WSO so that non-veterans could become members. Current VVAW/WSO national officers are Marxist-Leninist oriented and strive to educate their membership in Marxist-Leninist doctrine.

b2
b7D

[REDACTED] in 1974 advised the CVM was a loosely women ad hoc group of veterans and sympathizers opposed to United States' involvement and intervention in Southeast Asia. CVM advocated the immediate withdrawal of the United States military personnel and succession of all United States imperialistic activities in Southeast Asia.

[REDACTED] (4/28/72)

Source reported on April 28, 1972, CVM officially changed its name to VVAW. CVM had previously supported the VVAW but had not until this time decided to call themselves a VVAW chapter.

b2
b7D

[REDACTED] (4/27/73)

Source reported at the VVAW National Steering Committee meeting held at Placitas, New Mexico, April 19-22, 1973, that the membership decided that immediately the organization would be called VVAW/Winter Soldier Organization (VVAW/WSO).

[REDACTED] (5/28/74)
[REDACTED] (5/13/74)

Source reported in the Regional Office Report of the California/Nevada Regional Office VVAW/WSO published May 24, 1974, at 255 East Williams Street, San Jose, California, it was reported that within a few weeks the Region will file for nonprofit corporate status in the State of California. This reportedly will be under the section of the law which qualifies "parental organizations, organized into lodges, which exist to get and give proceeds to their members." The report indicated there was no exclusion from political work and the new name of the organization will be California VVAW/WSO Incorporated, and will also be the California/Nevada Regional Office of an Illinois corporation known as VVAW/WSO. Membership will not be transferred from any existing association and a mailing will be sent asking people to join the new corporation for \$1.00 a year. The legal incorporators will be veterans and it is expected that this will make recognized veteran status in the State possible. The VVAW/WSO National Office has advised all regions to incorporate in their own state. The National will incorporate under Section 501 (C) 19 of the Internal Revenue Service Code.

[REDACTED] (11/10/73) (6/3/74)

Source advised the Los Angeles area VVAW/WSO is broken down into organizing committees and chapters. The criteria necessary in attaining a chapter status is the collection of nine or more members in any given areas. If the Coordinator is unable to organize

LA 100-77703

the necessary number of members in his area that group then becomes an organizing committee by definition. The purpose of differentiating between a chapter and organizing committee is to create a more equitable arrangement with regular member representation when regional elections are held. A chapter is entitled to five votes and an organizing committee three votes. The aforementioned guidelines of chapters and organizations were advocated during the California/Nevada Regional Conference, September 22-23, 1973.

[REDACTED] (3/20/74)

Source reported that prior to March 20, 1974, the California/Nevada Regional Office VVAW/WSO was located at 1810 East Anaheim Street, Long Beach, California. Effective on or about that date the Regional Office moved and is now located at 1255 East Williams Street, San Jose, California. The Regional Office functions as a coordinating center of VVAW/WSO chapter and organizing committees in the California/Nevada Region and acts as spokesman for the Region to the National Office VVAW/WSO located at 827 West Newport Avenue, Chicago, Illinois. The Regional takes its directive from the National Office.

[REDACTED] (5/28/74)(6/3/74)(6/4/74)
(5/8/74)

Sources advised a Sub-Regional Office of the Los Angeles, California area of the VVAW/WSO is located at 1810 East Anaheim Street, Long Beach, California. The Sub-Regional Coordinators are [REDACTED] and [REDACTED]

Sources further stated the following is a current listing as of April 1974 of the VVAW/WSO chapter and organizing committees in the Los Angeles area with the primary member named:

[REDACTED] (5/8/74)

Vietnam Veterans Against the War/
Winter Soldier Organization (VVAW/WSO)

The Vietnam Veterans Against the War (VVAW) was formed in 1967 as an organization of Vietnam veterans to protest American involvement in the war in Southeast Asia. Since that time VVAW leaders have told members the VVAW is a revolutionary group, not "just another group of war veterans." Also, the membership has been told the VVAW has been asked to cooperate on an international level with many organizations, including communist and Maoist groups. Additionally, it was indicated that "anti-imperialist groups" consider the VVAW a potent organization of similar stature in the U.S. In April, 1973, the group changed their name to VVAW/ Winter Soldier Organization (WSO) so that non-veterans could become members. Current VVAW/WSO national officers are Marxist-Leninist oriented and strive to educate their membership in Marxist-Leninist doctrine.

On March 3, 1974, a confidential source who has furnished reliable information in the past advised that the Tampa Chapter of the VVAW is an independent chapter affiliated with the National VVAW, Chicago, Illinois. As such, it adheres to the aims and purposes of the National VVAW. The Tampa Chapter withdrew from the Florida Region because of differences with the Miami VVAW Chapter and at present has no intentions of rejoining the Florida Region.

The Tampa Chapter will work with any other group in cooperation if the aims and purposes of the group coincide to some degree with those of the VVAW. The VVAW shares their headquarters with the Red Star Cadre (RSC) and would be willing to share the space with other groups if they wish to join in the financing of the headquarters.

VIETNAM VETERANS AGAINST THE WAR/
WINTER SOLDIER ORGANIZATION (VVAW/WSO)

~~CONFIDENTIAL~~

The Red Star Cadre (RSC) was formed in Tampa, Florida, during October, 1972, as a Marxist-Leninist (M/L) study group. As of May, 1973, the RSC was in contact with other M/L groups attempting to form a new M/L Communist Party in the United States.

On March 9, 1974, the source advised that Scott Camil, former Florida Regional Coordinator, is currently writing a book on the "Gainesville Eight" trial in Gainesville, Florida, and has finished one chapter. CAMIL is keeping a low profile until after his book is finished and in the meantime is not participating in any VVAW activities. He expects to finish the book in approximately one year.

On April 9, 1974, source advised that the National VVAW Office would not allow the Tampa Chapter to attend the April 11-15, 1974, National Steering Committee Meeting (NSCM) in Milwaukee, Wisconsin, because of the criticism of the National Office by individual Tampa members in letters written to the National Office. Reportedly the National Office was advised by Tampa that Tampa considered the actions of the National Office to be more in keeping with a capitalist state than with the ideals set down by the VVAW, and would contact all regions of the VVAW to inform the entire VVAW of the refusal by the National Office to allow the Tampa Chapter to attend the NSCM.

On April 24, 1974, source advised the Tampa VVAW Chapter called a meeting on April 23, 1974, to determine if the Chapter wanted to rejoin the Florida Region. The Chapter voted 13 to 0, without the coordinator voting, not to reenter Florida Region.

The Tampa Chapter decided not to attend the Florida Regional Meeting set for Gainesville, Florida. In addition, Tampa decided to advise the National Office of their decision and tell the National Office that Tampa would never rejoin the Florida Region as long as Don Pennington remained as leader of the Miami Chapter.

~~CONFIDENTIAL~~

VIETNAM VETERANS AGAINST THE WAR/
WINNER SOLDIER ORGANIZATION (VVAW/WSO)

~~CONFIDENTIAL~~

On May 30, 1974, source advised that the Florida-Georgia Region is essentially inactive with the exception of the Tampa Chapter, which has been highly active in areas such as veterans's rights and prison reforms. Although an independent chapter, the Tampa Chapter continues to support the aims and purposes of the National VVAW. The Tampa Chapter has approximately 15 active members and approximately 15 inactive members.

The Chapters currently comprising the Florida Region are Tallahassee, with three members, Gainesville, with two members, Ft. Lauderdale, with two members, and Miami, with three members.

On May 20, 1974, source advised that the National VVAW had requested the Tampa Chapter to return to the Florida Region and was advised the Tampa Chapter had voted not to return. The National Office was also advised that since Tampa was not allowed to attend NSOMs to present its position to all the regions, Tampa would send newsletters to all regions presenting the Tampa position. Tampa feels the Florida Region is inactive due to fighting, arguing and back stabbing among chapters and members and Tampa refuses to become involved.

The National Office also requested the Tampa Chapter to participate in the VVAW sponsored Amnesty Demonstration to be held in Washington, D.C., July 1-4, 1974. In addition, Tampa was contacted by the American Veterans Movement (AVM), a new veterans group in Los Angeles, California, and asked to join the AVM in their demonstration in Washington, D.C., beginning July 4, 1974.

On June 5, 1974, source advised that the Tampa Chapter voted to attend both the VVAW demonstration on July 1-4, 1974, at Washington, D.C., and remain for the AVM demonstration beginning on July 4, 1974. Approximately 20 members and non-member students at the University of South Florida (USF), Tampa, Florida, have expressed a desire to attend the demonstrations in Washington, D.C.

No information has been developed reflecting the Chicago Chapter, VVAW/WSO, has shown any propensity for violence.

It is anticipated that if the Chicago Chapter loses its identity, some of the members will become associated with the Revolutionary Union and other members will join no other subversive organization.

It is noted that the details of this investigation exceed the investigative period of this report. This is due to information being reported herein which was extracted from that portion of VVAW/WSO main case file (Bureau file 100-448092) in existence before the Chicago Chapter file was open.

Government records referred to in this report are records of the National Personnel Records Center as made available to SA [redacted] St. Louis, Missouri, on 7/27/72.

b7c

No report is being made of activities in the Chicago area prior to the opening of this case file unless it is apparent that the activity can be attributed to the "Chapter" and not the National Headquarters. There were, therefore, many more activities of which VVAW/WSO was a part than reflected in this report. SAs, FBI, viewing the demonstration at the Federal Building, Chicago, Illinois, 12/28/71, were [redacted] and [redacted].

SAs, viewing the demonstration at the Civic Center, Chicago, Illinois, 11/4/72, were [redacted] and [redacted].

FBI Agent viewing activities 1/26/74, 3/15/74, 3/29/74, was SA [redacted].

This investigation is based on information which indicates that captioned organization is engaged in activities which could involve violation of Title 18, U. S. On April 8, 1973, [REDACTED] advised the Chicago Chapter, Vietnam Veterans Against The War/Winter Soldier Organization (VVAW/WSO) was present at a meeting of the Northern Illinois - Iowa VVAW/WSO region. (X)

VVAW/WSO was organized in New York City in 1967 as an organization of Vietnam veterans to protest the American involvement in the war in Southeast Asia. VVAW/WSO engaged in various protest activity, but during late 1971, demonstrated increasing militancy, culminating in December 1971, with VVAW/WSO takeover of various American landmarks and public buildings. Information was also developed indicating that some VVAW/WSO Chapters were cooperating with or infiltrated by communist-dominated groups including the communist party, USA, and the Socialist Workers Party (SWP). Certain VVAW/WSO leaders were quoted as telling members VVAW/WSO is a revolutionary organization and not "just another group of war veterans". VVAW/WSO leaders have traveled to North Vietnam and have reportedly established liaison with revolutionary or terrorist groups internationally. During July, 1972, VVAW/WSO leaders and members were indicted by a Federal Grand Jury (FGJ), Tallahassee, for violation of Federal statutes, including Conspiracy to Riot During Republican National Convention, August, 1972. One of these individuals was also (X)(u)

~~CONFIDENTIAL~~

indicted for possession of an unregistered explosive and incendiary device. In January, 1973, at a National Steering Committee meeting, VVAW/WSO leaders discussed programs aimed at obtaining support from or influencing active duty military personnel. They also discussed obtaining access to classified Government information to be used against U. S. interests and one leader subsequently actively engaged in such activity. There were also indications at this meeting that VVAW/WSO activists possessed the technical knowledge and training to carry out any revolutionary program proposed. In addition, information has been reported from a source, who has furnished reliable information in the past, that a VVAW/WSO member previously discussed engaging in sabotage and was possibly involved in the destruction of an ammunition train in Arizona. VVAW/WSO is currently headquartered in Chicago, Illinois.

There is currently \$10.00 in the Chicago Chapter VVAW/WSO treasury. Rent of office space due June 1, 1974, is \$80.00. The phone bill is estimated to be \$40.00. There is no money coming into the account. The reason the finances are in such bad shape is because of the mismanagement by [REDACTED]. He buys unnecessary things in excessive quantities for the chapter and he fails to collect dues on a regular basis. The chapter had over \$600.00 when [REDACTED] became self-appointed "head" of the Steering Committee. If the chapter is not able to get out of the current lease, the chapter will be broken financially. Some members feel that due to the financial situation of the chapter, the chapter could collapse.

VII. ACTIVITIES~~CONFIDENTIAL~~

The December 8, 1971 issue of the "Chicago Daily News", a Chicago daily newspaper, contained an article indicating about thirty VVAW/WSO members led by BART SAVAGE were thwarted from tossing decapitated dolls smeared with red paint onto the floor of the Midwest Stock Exchange, Chicago. SAVAGE stated the dolls symbolized the children killed in Vietnam by weapons and explosives manufactured by U. S. firms. There were no arrests. (X)

On December 28, 1971, about 65 demonstrators from various groups, including VVAW/WSO, conducted a peaceful non-violent demonstration against the bombing of Vietnam at the Federal Building, Chicago. (X)

On October 25, 1971, a veterans day march and rally sponsored by VFP and VVAW/WSO was held in downtown Chicago under permit issued by the City of Chicago. Approximately 400 individuals participated. Speakers were introduced by BART SAVAGE and included LEROY WOLINS. (X)

b2
b7D [REDACTED] 11/3/71

A member of the North Chicago Police Department advised that on May 20, 1972, approximately 800 persons representing VVAW/WSO and two other groups marched approximately one mile adjacent to the boundary of the Great Lakes Naval Training Center in opposition to the war in Southeast Asia. The march was followed by speakers, one of whom represented the Black Panther Party (BPP). There were no arrests. (X)

The Black Panther Party (BPP) is a black extremist organization started in Oakland, California in December, 1966. It formerly advocated the use of guns and guerrilla tactics to bring about the overthrow of the United States Government. Since early 1971 it has preached a policy of "survival pending revolution", and is seeking to organize the black community for the revolution it claims will ultimately follow. (X)

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

On September 9, 1972, a representative of the Chicago Police Department advised 23 members of VVAW/WSO gathered at President Nixon's campaign office 110 South Dearborn Street, Chicago, demonstrating and demanding an end of the war in Vietnam. The group then marched to the Federal Building, where two participants attempted to turn themselves in to building guards for "war crimes" committed in Vietnam. Becoming impatient after a short time, the group returned to the campaign office, where they handed in war medals. The demonstration was peaceful and non-violent. (X)

On November 4, 1972, there was a peaceful non-violent demonstration consisting of approximately 200 people at the Civic Center, Chicago, and subsequent march to the Federal Building, 219 South Dearborn Street. The theme of the demonstration was "Stop the War". Speakers included members of RU and VVAW/WSO. (X)

On November 3, 1972, there was a political rally at the Illinois Air National Guard, O'Hare Airport, consisting of about 7,000 people. A few minutes after the President began his speech about a dozen peace activists staged a demonstration. It appeared this was led by a member of the VVAW/WSO and a member of the Chicago Peace Council (CPC). The demonstrators were noisy and called the President a "murderer". They caused considerable disruptions. No arrests were noted. (X)

[REDACTED] 11/6/72

CPC is located at Chicago, Illinois. The CPC is a coalition of anti-war and anti-draft organizations in the Chicago area. Its headquarters are at Room 510, 542 South Dearborn Street, Chicago. (X)

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

On September 28, 1973, an Indo-China Peace Campaign (IPC) tour featuring JANE FONDA and TOM HAYDEN was present in Chicago. The Chicago Chapter VVAW/WSO was presenting the tour.

b2

b7D

[REDACTED] 9/28/73

(X)

The IPC was organized in August, 1972, to make the then upcoming national election a referendum on the United States war activities in Vietnam. The organization continued subsequent to the election and later ceased fire in Vietnam, calling for removal of all American Armed Forces from Indo-China, directing its attention to returned American prisoners of war and the issue of so called political prisoners was held in South Vietnam.

(X)

HAYDEN, married to FONDA in January, 1973, was one of the founders of Students for a Democratic Society (SDS), in early 1960's. He was a defendant in the so-called Conspiracy 7 trial in Chicago, in 1969-1970, with defendants convicted of having violated the Federal Anti-Riot Statute as a result of activities surrounding the Democratic National Convention, August, 1968, in Chicago. That conviction was overturned on appeal.

(X)

In late 1970, FONDA undertook an Anti-War speaking tour of college campuses throughout the country. In 1971, she participated in a "Free the Army" anti-war anti-establishment entertainment review presented near military establishments across the United States. In the summer of 1972, FONDA visited North Vietnam and upon her return to this country criticized United States Military Forces for bombing dikes in North Vietnam.

(X)

SDS was founded during June, 1962, at Port Huron, Michigan, and in the 1960's functioned as the leading New Left campus-based student organization in the United States. From an initial posture of "participatory democracy", SDS moved to a radical-revolutionary position, with debate centering on how best to create a revolutionary youth movement. Internal factionalism produced a split during the SDS National Convention in June, 1969, which resulted in the following three factions: Weatherman; Worker Student Alliance (WSA); and Revolutionary Youth

On November 11, 1973, VVAW/WSO leafleted the activities of the Veterans of Foreign Wars at the Civic Center, Chicago, and on November 28, 1973, members of the VVAW/WSO sold copies of the official newspaper "Winter Soldier" on the University of Chicago campus.

12/6/73

Numerous Chicago Chapter members of VVAW/WSO were recognized in a peaceful non-violent demonstration and march, Chicago, Illinois, January 26, 1974, the main theme of which was to impeach the President.

(S)

The Chicago Chapter VVAW/WSO participated in a peaceful non-violent demonstration against the President, Chicago, Illinois, March 15, 1974.

(S)

On March 29, 1974, six individuals representing the Chicago Chapter VVAW/WSO passed out flyers at the Veterans Administration (VA) complex, 820 South Damen, Chicago. The flyers indicated the VVAW/WSO non-acceptance of "Nixon's Token Holiday" (Vietnam Veterans Day) and their demand for better veterans benefits.

(S)

The Chicago Chapter VVAW/WSO holds weekly meetings, attends regional and national meetings, and holds various other peaceful non-violent functions and social activities.

It is the opinion of each of these individuals that the group demonstrating at the Federal Building in Phoenix on 3/29/74 was strictly an ad hoc coalition of "long hairs, professional demonstrators and malcontents" not affiliated with the national organization and further, that there is no VVAW organization chapter or membership in the Phoenix area. Phoenix concurs with these feelings.

The conclusion of the above-mentioned police sources has been reached after numerous contacts and extensive investigation inasmuch as all police agencies in the Phoenix area were extremely interested in making a determination as to whether there was or was not a VVAW chapter in the Phoenix area.

b7D

It should be noted that Dets. [redacted] and [redacted] as well as [redacted] and [redacted] were all extremely knowledgeable regarding the VVAW and its membership when there was a chapter in Phoenix. This chapter ceased to exist approximately 1½ years ago.

It appears to Phoenix that the opinions stated above are substantiated by the following:

On 4/10/74, [redacted] - b2 b7D reported that the Internal Report of the 12th National VVAW/WSO National Steering Committee Meeting held at Milwaukee, Wisconsin, on dates 4/11-4/15/74 contained the following statement:

"...other areas that are basically defunct are New Mexico/Arizona...these areas may have to remain separate regions for the simple reason that there is not a strong adjacent region to annex them to which would be capable of taking on the extra work at this time."

Phoenix is confident that at least one of the above sources would be aware of VVAW-type activity if it was present in the Phoenix area; therefore, based

[redacted] (ADEX) (Bureau file 100-458708) from his
home at the chapter address shown above. Due to a lack of
membership, it has no regular meetings.

The Baltimore Chapter members have as a primary
interest and activity, working with the Military Law Project
(MLP) (Bureau file 100-476397).

b7c

As the Bureau is well aware, [redacted] ^{Adex} subscribes
to the Marxist-Leninist line as carried out in China. He
now considers Russia to be a capitalist state. While an
advocate, he himself admits that the revolution in the
United States will be a long time coming, until the
Revolutionary Union (RU), of which he is also a member, has
secured a considerably larger membership and the sympathy
of many more people. At this point, [redacted] advocates
picket lines in support of various union worker groups so
as to display support for the workers. His activities have
met with little MLP support.

This chapter is headed by [redacted]
(ADEX) (Bureau file 100-479340) out of his residence
address, shown above, and has held meetings on 2/18/74,
3/16/74, 4/5/74 and 4/18/74.

b2

[redacted]
This chapter has been described as inactive from
the beginning, because all [redacted] ever does is talk in
terms supportive of the National VVAW/WSO Office, involving
the various objectives and projects mentioned in "Winter
Soldier," without any action ever forthcoming.

~~CONFIDENTIAL~~

BA 100-27909

[REDACTED] does not appear to subscribe to a Marxist-Leninist or other violence-prone philosophy, nor does anyone in this chapter. [REDACTED] failure to subscribe to such a philosophy has resulted in numerous arguments between he and [REDACTED]

b7c Sources consider [REDACTED] as a "liberal," who is all mouth and no action.

It is noted that the Central Maryland Chapter will shortly work out of a room assigned it at the new MLP location, 108 Washington Boulevard, Laurel, Maryland, for which they will be expected to pay a rental of \$25 per month. Since [REDACTED] has not been to any recent MLP meetings, nor held any VVAW/WSO meetings in two months, he is to be contacted by the MLP regarding just where his chapter stands.

Baltimore is maintaining continuing contact with VVAW/WSO sources, and will immediately and appropriately report any pertinent information developed.

ReWFOtel dated 6/17/74.

FBI Headquarters disagrees with the recommendation of WFO, as set forth in referenced teletype, concerning the elimination of submission of a detailed letterhead memorandum in conjunction with the reporting procedure setting forth the results of captioned demonstration. The submission of summary teletypes after debriefing sources in attendance at captioned demonstration by appropriate offices does not meet the requirement for dissemination at a Headquarters level. Accordingly, recipient offices should abide by the reporting procedures set forth in SAC Letter 72-3 dated 1/11/72.

Insure all deadlines are met pursuant to these instructions.

A copy of this communication is being furnished to Denver which was a recipient of WFO teletype; however, Denver has been denied FBI Headquarters authority to send an informant to captioned demonstration.

NOTE:

SAC Letter 72-3 dated 1/11/72 set forth specific instructions concerning reporting procedures in conjunction with coverage of national conventions or conferences of subversive organizations and other gatherings at which attendance of several informants has been authorized. Several informants have been authorized to attend captioned demonstration and the reporting procedures concerning this demonstration should be in accordance with this SAC Letter. WFO teletype indicated a desire to change these procedures and to have the results of debriefing of informants submitted in summary teletype form and eliminate the necessity of having such information repeated in a comprehensive letterhead memorandum submitted by the office where the activity takes place, in this case, WFO. Such change is contrary to established reporting procedures and is undesirable.

Reference Bureau airtel, 5/28/74.

Investigation has not reflected the existence of any VVAW presently active within the Mobile Division. Information has been submitted to the Bureau and Chicago concerning Operation County Fair which involves a proposed free clinic at Bogue Chitto, Alabama, mailing address Route 1, Box 109, Browns, Alabama.

This matter has been followed through established sources and little or no progress has been reported in connection with the establishment of the clinic. At the present time there are only three individuals at Browns, Alabama, namely _____ and _____. These three individuals are employed at the Good Samaritan Hospital at Selma, Alabama, part-time in order to support themselves. They reportedly have resorted to selling used clothing that has been sent to Route 1, Box 109 the past year for the proposed clinic.

Activity will be followed through established sources to determine any indication that the proposed clinic may become a reality.

Re Bureau airtel, 5/28/74.

According to information available to the Boston office, the VVAW/WSO at the present time has no chapter or regional office in existence in the four-state area of Maine, New Hampshire, Massachusetts and Rhode Island.

It is noted that by Boston letter to the Bureau, 3/16/74, it was pointed out that according to the source who has been in contact with a former active leader in VVAW, this organization is now "dead" in the greater Boston area. Also noted was the fact that there has been no activity of any extent by VVAW since October, 1972, and that no chapters exist in any college or university in the New England area.

The Chicago office has furnished a report of the National Steering Committee VVAW meeting, which was held in Milwaukee, Wisconsin, 4/11-15/74. In that report

it was stated that the New England region has not been functioning for some time and that efforts to make contact by regional or national officers of VVAW in Mass. were negative. Also noted in this report was the fact that Rhode Island is now defunct insofar as this organization is concerned and that Maine and New Hampshire have had little or no activity.

In view of the above and in the absence of any information indicating that VVAW exists in the New England region, Boston is conducting no further investigation. Any information developed concerning this organization will be reported in accordance with Bureau requirements.

b2

2. [redacted] (contacted 6/4/74), [redacted]
(contacted 6/5/74), and [redacted] (contacted 6/6/74)
all advised that the local Chapter totally supports the
National Office and will carry out directives or decisions
of the National Office even if the local Chapter does
not totally agree with them. The local Chapter is
independent to the degree on how these decisions are
carried out within the region. Sources generally feel
that the local Chapter is strong enough so it would
still function if the National Office was abolished. The
main direction of the local Chapter seems to be totally
directed towards total amnesty, discharge upgrading, and
more benefits for veterans. The main course of action
to make the community aware of these issues is through
leafletting, demonstrating at Veterans Administration (VA)
facilities, and parades consisting of car caravans running
through the near northeast side of Milwaukee.

b2
b7D

3. [redacted] advise that the
local Chapter is controlled by a Regional Collective, which
is set up as a Steering Committee, but on a local level.
This Collective consists of 4 members, [redacted]
(Bufile 100-471690), [redacted] (Bufile 100-472276),
[redacted] (Bufile 100-476518), and [redacted] (Bufile
100-479615). Milwaukee has information that one member,
[redacted] (Bufile 100-452527), is a known member of a
Milwaukee Revolutionary Union (RU) Collective; however,
he displays a very passive attitude within VVAW, as well
as in RU. Information was received that [redacted] and
[redacted] are both participating in a Workers Study
Circle, which is a Marxist-Leninist-Maoist educational
series sponsored by RU. The Milwaukee Chapter does not
adhere to or support any violence-prone philosophy due
to the fact they believe the revolution will come about
without any violence. This will be elaborated on under
No. 4.

b2

b7C

MI 100-15674

b2

4. Sources report that non-violence is always stressed within the VVAW meetings. There are no political teachings or discussions in the meetings as it is felt that nothing can be accomplished, and the majority of the people attending the meetings are not interested in political teachings or discussions. [REDACTED] further advised that political education classes are given every Sunday, a.m., for those interested, but these classes are not required by the organization and seem to be on an individual basis. These classes are attended by 5-10 people. [REDACTED] advised that these classes are structured along Marxist-Leninist-Maoist lines; however, do not teach violence. As stated above, [REDACTED] advised that the local VVAW believes that the revolution will come about through non-violent means. They believe that capitalism will destroy itself, and eventually the general public will become disenchanted with capitalism. At that time the people will be right for the revolution and thus, the revolution will occur non-violently. To substantiate this, they are using the Watergate incident, energy crisis, and the current economic situation in the United States where hopefully these situations will turn into crises, and capitalism will destroy itself by the public eventually falling on hard times, thus becoming disenchanted and blaming the Government. The public will then, in turn, overthrow or dissolve the Government, thus opening the way for a non-violent revolution.

ReBuairtel, 5/28/74, captioned as above.

The following information is provided in response to referenced communication, as requested, it has been gleaned from informants and review of VVAW/WSO files:

1. The sub-regional office of the California Nevada Region, VVAW/WSO is headquartered in Long Beach, California, and also serves as the Long Beach Chapter Office. One other group reported to be large enough for chapter status (nine or more members) exists in Venice, California. The Long Beach Chapter is covered by [redacted] both members, and [redacted] a non-member. The Venice Chapter is covered by [redacted] a member. Recently, all sources noted have agreed it is doubtful if either of these, so called chapters, have in reality the required number of members to qualify for chapter status. Informants feel, to a large degree, the subregional office is keeping the Los Angeles area subregion "alive" with unsubstantiated membership figures in order to exist as an organization and keep the National Office thinking they are a functionary body. Additionally, there are four (4) organizing committees (OC), namely, Inland Empire (Riverside and San Bernardino, California), Irvine, San Fernando Valley, and Santa Barbara. These are covered by [redacted] and [redacted] all members, and [redacted] and [redacted] non members. The four OCs are so small [redacted] (each) that coverage

is provided through general involvement with the VVAW/WSO at any level. It should be noted, however, at the VVAW/WSO Regional Conference held 5/25-27/74, Riverside, California, as many as 70 people attended but sources felt the large majority were not generally Los Angeles area members.

In this same regard, sources feel there are, at present, perhaps 35 individuals in the Los Angeles area that are "connected" with VVAW/WSO activities. Membership, as such, in the Los Angeles VVAW/WSO does not appear directly tied to faithful attendance at meetings or participation in every event. It is, therefore, extremely difficult to do more than estimate membership figures, which continually vary and seem to include many peripheral "members".

2. The sub-regional office and its chapters generally support the policies of the National Office and function as a legitimate veterans organization, to the extent the National Office does so.

b7C 3-4. Three individuals, who are members of the Los Angeles Area VVAW/WSO, are current ADEX subjects, [redacted] and [redacted]. None are in a direct leadership position of the sub-regional but do appear to have some influence. This influence appears limited to opinions and general personal philosophy, however, and the sub-regional continues to follow the general guidelines of the National Office. Whether or not these three individuals or any others including the two sub-regional coordinators express Marxist-Leninist philosophy has not been specifically reported by informants. Any reference to this philosophy whether direct or subtle has seemed to emanate from the National rather than any local influence being directed upward, thereto.

Los Angeles would also like to point out that there appears to be great concern at the sub-regional levels regarding RON KOVIC and the American Veterans Movement (AVM). A portion of the recent Regional Conference at Riverside was devoted to this group and informants have indicated a discussion in this regard frequently occurs at VVAW/WSO meetings.

Informants feel the AVM has contributed to the decline in membership perhaps because as an organization it presents an alternative to the Marxist-Leninist approach to the so-called Veterans Movement.

A preliminary inquiry has been initiated concerning the subject for the purpose of determining if the subject is a leader or activist of the Vietnam Veterans Against the War/Winter Soldier Organization (VVAW/WSO), activities of which could involve violations of Title 18, United States Code, Sections 2383 (Rebellion or Insurrection), 2384 (Seditious Conspiracy), 2385 (Advocating the Overthrow of the Government), 2387 (Sedition), 793 (Espionage), 844 (Explosives and Incendiary Devices), 2155-56 (Sabotage) and 2101 (Antiriot Laws).

On March 5, 1974, [REDACTED] advised that [REDACTED] attended the monthly meeting of the New York City Chapter of the VVAW/WSO, which was held on February 4, 1974, at 135 West 4th Street, New York City.

VVAW/WSO was organized in New York City in 1967 as an organization of Vietnam veterans to protest the American involvement in the war in Southeast Asia. VVAW/WSO engaged in various protest activities, but during late 1971 demonstrated increasing militancy, culminating in December, 1971, with VVAW/WSO takeover of various American landmarks

and public buildings. Information was also developed indicating that some VVAW/WSO chapters were cooperating with or infiltrated by communist-dominated groups including the Communist Party (CP), USA, and the Socialist Workers Party (SWP). Certain VVAW/WSO leaders were quoted as telling members VVAW/WSO is a revolutionary organization and not "just another group of war veterans". VVAW/WSO leaders have travelled to North Vietnam and have reportedly established liaison with revolutionary or terrorist groups internationally. During July, 1972, VVAW/WSO leaders and members were indicted by a Federal Grand Jury, Tallahassee, for violation of Federal Statutes, including conspiracy to riot during Republican National Convention, August, 1972. One of these individuals was also indicted for possession of an unregistered explosive and incendiary device. In January, 1973, at a National Steering Committee meeting, VVAW/WSO leaders discussed programs aimed at obtaining support from or influencing active duty military personnel. They also discussed obtaining access to classified Government information to be used against US interests and one leader subsequently actively engaged in such activity. There were also indications at this meeting that VVAW/WSO activists possessed the technical knowledge and training to carry out any revolutionary program proposed. In addition, information has been reported from a source that a VVAW/WSO member previously discussed engaging in sabotage and was possibly involved in the destruction of a munitions train in Arizona. VVAW/WSO is currently headquartered in Chicago, Illinois.

The SWP is a Trotskyist organization founded in the United States during 1938, with headquarters currently in New York City. While the SWP, like the CP, USA, does not openly advocate the violent overthrow of the United States Government at this time or violations of other Federal or state laws, the SWP believes that eventual revolution to overthrow the present capitalist system of government in the US is inevitable. The objective of the SWP, like the CP, USA is to organize a membership to take action to precipitate such a

revolution when conditions are ripe
and to direct and seize control of the
revolution when it occurs.

and [redacted] have shown VVAW internal literature which has characterized the Louisiana VVAW as "defunct since VVAW/WSO does not exist...at all" and went on to propose that mail contacts for the Louisiana VVAW be handled by neighboring states. Then during VVAW National Steering Committee meeting in Milwaukee, April 11-15, 1974, the National VVAW accepted the proposal that the Louisiana region of VVAW be declared defunct and that the Alabama/Mississippi/Tennessee VVAW region annex Louisiana for administrative purposes.

Previous New Orleans communications have shown how VVAW in Louisiana has been discredited by other national figures, how [redacted] the only VVAW activist in this area as of the fall of 1973, has become anti-political and shown no interest in any activity in the past year, and how no veterans activist group of any ilk has taken any interest in the recent attempt to demonstrate around Veterans Administration facilities.

New Orleans is placing this case in an RUC status.

The following breakdown corresponds to questions and parts of questions as set forth in referenced airtel:

(1) There is one chapter of the VVAW/WSO in the St. Louis Division located at 1023 Allen Avenue, SLMO, which location is also considered a regional headquarters for Eastern Missouri, Southern Illinois, Arkansas, and Oklahoma. There are approximately 20 members in this chapter; however, only approximately [REDACTED] members are currently active. Currently there is [REDACTED] member informant in this chapter.

(2) This chapter supports most of the policies of the national organization but feels that the national, New York region, and Bay area of San Francisco, are Maotist or Marxist dominated or oriented. The chapter does have some legitimate interests in Veterans' affairs.

(3) The chapter does not completely subscribe to a Marxist-Leninist ideology; however, it could be considered as a Marxist or Socialist organization and has gone so far as condemning other organizations' violence such as the Symbionese Liberation Army and the Black Muslims while at the same time verbally supporting the Black Panthers in shoot-outs with police. The chapter has been very peaceful during the past few years although some members could resort to violence if they felt the need was great enough.

(4) The chapter is not believed infiltrated or dominated by individuals supporting a Marxist-Leninist ideology or advocating the violent overthrow of the U. S. Government; however, if they feel a law is bad, it is felt they would go to great aims in order to change it and several members of the organization would not rule out the use of violence, however, the majority would completely oppose violence under any circumstances.

2) For all intents and purposes the Chicago Chapter is operating and acting as the VVAW/WSO Regional Headquarters and they support the policies of the National Office as set forth in the "Winter Soldier."

3) Yes, but probably only because of the close proximity of the Chicago Chapter and National Office.

4) No.

In relating the aforementioned items to activities on a national level, we find the following:

b2
b7D

1) [redacted] advised that the NO estimates the national membership to be approximately 2,000. The number of members in each chapter and the available informant coverage of each is not known to Chicago and of necessity will have to be determined through answers to referenced airtel by the various receiving offices.

2,3,4) As above, these questions will best be answered by the various offices replying to referenced airtel.

In regard to questions set forth on pages five and six of referenced airtel, the following information was obtained from [redacted]

b2 b7D

1) The philosophy subscribed to by the National Collective is the Marxist/Leninist philosophy. One of the objectives of the VVAW/WSO is the peaceful conversion of our democratic form of government to a form of government more closely aligned with Marxism/Leninism. The National Collective has stated it will continue the policy of building take-overs as well as mass demonstrations to project the aims and goals of this organization. The National Collective is of the opinion the masses will eventually create a revolution and the VVAW/WSO will be considered as one of the "Vanguard Organizations" of this revolution. The current National Collective Staff does not subscribe to violent tactics, such as kidnappings, bombings, and the use of weapons, in order to project the organization's aims and beliefs.

It is to be noted the current National Collective Staff does not advocate the use of violent tactics, however, changes in Staff personnel will occur over the course of future months and the possibility exists more Militant personnel could very well be elected to positions of the National Collective.

~~CONFIDENTIAL~~

2) SAMUEL R. SCHORR is considered the number one VVAW/WSO National Coordinator and is the leader of the National Collective. SCHORR formerly was the National Coordinator of the California Collective and during 1973, was elected to a position on the National Collective. SCHORR is a very articulate and outgoing individual and thus when he began participating in the National Collective, he asserted himself more so than any of the other National Coordinators. SCHORR at that time reorganized the structure of the entire organization. SCHORR projects this organization will become a mass based Marxist/Leninist Organization and will be the "Vanguard" Organization of the revolution. He has stated in the past that he would hope this organization remains small in size (a thousand individuals), and in this respect, could best be controlled and function as a hard-core Marxist/Leninist Organization. SCHORR's number one objective within the organization is the educating of the National Collective and chapters to the Marxist/Leninist philosophy. SCHORR feels that the regions are not accepting the Marxist/Leninist philosophy basically due to their lack of understanding regarding the Marxist/Leninist concept. In addition, SCHORR feels that over the years if a revolution occurs involving the masses, this organization will have to assert itself and be at the forefront of any revolution.

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

At this point in time SCHORR considers his entire life as the VVAW/WEO.

3) As set forth above, the regions and chapters are not responsive to the Marxist/Leninist Philosophy, thus greatly disturbing the members of the National Collective. The National Collective rationalizes this lack of acceptance on the part of regions and chapters as "these individuals do not understand the Marxist/Leninist Philosophy, are uneducated, and will eventually become educated to the philosophy of the National Collective."

It is to be noted that even though the regions and chapters reject the Marxist/Leninist Philosophy at this point in time, they do continually obtain authority from the National Collective prior to the implementation of any action on their part, such as rallies, demonstrations, and building takeovers.

Apparently, various regions and chapters feel the National Collective expresses an elitist and/or "country-club" attitude. In this respect, various regions and chapters are of the opinion the National Collective is not concerned with their problems. This impression on the part of the regions and chapters, probably stems from the fact the National Collective is obviously in a position to make the final decision in all matters and is a very close-knit group.

4) The National Collective continues to maintain the attitude the organization will initiate demonstrations, rallies, and in particular, building take-overs to project their publicly-identified objectives. The purpose of these take-overs is to focus news media attention on the organizations objectives.

There is no information available to indicate specific actions taken in the past and/or planned in the future which go beyond publicly-identified objectives,

~~CONFIDENTIAL~~

as well as, those of a subversive or illegal nature.

5) Other than the information set forth in referenced airtel, source is unaware of any contacts that leaders have with foreign intelligence and foreign revolutionary organizations on either a covert or overt basis.

6) The National Collective as well as various regions and chapters, maintains contacts with organizations such as the Revolutionary Union, October League, and Attica Brigade. In addition, the National Collective maintains contacts with all Chicago area "peace and anti-war" groups. At this point in time, this organization will participate in activities and functions sponsored by other organizations only if the National Collective feels the objectives of the VVAW/WSO will be projected.

A case in point regarding the above, is the fact this organization is willing to accept support from any organization regarding the VVAW/WSO-sponsored demonstration, Washington, D.C., 7/1-4/74, if these organizations will endorse VVAW/WSO objectives.

7) No.

8) The following individuals are considered members of the National Collective and maintain the title of National Coordinator:

~~SAMUEL R. ASCHORR;~~

~~BRIAN ROSS ADAMS;~~

~~EDWARD DAMATO;~~

~~PETER ZASTROW;~~

~~RICH BANCERT;~~

~~MARLA WATSON~~

CG 100-50772

SCHORR is considered to be the most intelligent, articulate, and educated member of the National Collective. He has stated on various occasions his entire life is devoted to this organization. It is noted that [REDACTED]

[REDACTED] SCHORR and their relationship is such that she can greatly influence SCHORR. It has been stated by various other National Coordinators that if [REDACTED] ever quits the organization, SAMUEL SCHORR would probably also quit.

ADAMS is also considered an articulate and educated member of the National Collective. Speculation is of such a nature, if SCHORR would ever remove himself from the number one position, either ADAMS or ZASTROW would be appointed. It is noted that although ADAMS is very dedicated to this organization, he does [REDACTED]

and [REDACTED]

ZASTROW is considered a very stable member of the National Collective and is considered an exceptionally hard worker. ZASTROW was recently elected to the National Collective and to date has not projected any weaknesses.

Although DAMATO does, in fact, devote himself to the National Collective, it is the opinion of various other National Collective members that he has [REDACTED] and would very well be the [REDACTED]

RANCE IT is also very strongly dedicated to the operations of this organization, but [REDACTED] has not greatly hindered his functioning to date within the National Collective.

[REDACTED] SCHORR, is considered to be an excellent worker and a very intelligent individual. It is to be noted that [REDACTED] constantly is under the impression that she is ill. She considers herself a "physical wreck"

and is sick on numerous occasions with common colds and influenza. [REDACTED] can best be described as a [REDACTED]

9) It is also to be noted the following individuals are considered members of the National Collective and maintain the title of National Staff Workers:

JOHN NAVEAU;

BILL BRONSON;

ELLIE MATTERN

NAVEAU and BRONSON primarily act as liaison with various "anti-war" organizations primarily in the Chicago, Illinois area. In addition, NAVEAU and BRONSON do a considerable amount of manual work at the National Office such as assembling news letters, assembling newspapers, and printing various other materials.

MATTERN currently coordinates the national VVAW/WSO project known as the "VVAW/WSO GI Project" formerly known as "NOSCAM." MATTERN's responsibility is to insure that contacts are maintained with active and inactive GIs as well as the coordination of the upgrading of poor Military discharges. It is to be noted that EMILE FREEDMAN has recently been appointed as the number one assistant to MATTERN and could therefore be considered a member of the National Collective.

10) Although a formal written letter of censure was delivered to the CP, USA, the VVAW/WSO has not in reality severed all relations with this organization. The VVAW/WSO will in fact work with the CP, USA on most ventures, only if the VVAW/WSO feels that it can gain something from this organization, such as CP? USA support for VVAW/WSO objectives. Since the VVAW/WSO censure of the CP, USA relationship between the two organizations

have been cold to say the least, but the VVAW/WSO would renew relationships with this organization, if the CP, USA would fully support VVAW/WSO objectives.

The Old Westbury and Suffolk County Chapters are basically campus oriented groups and there is no significant activity during the summer months although during the school year they can generate support for VVAW/WSO activities. The Fredonia Chapter consists of [REDACTED] who are trying to get their heads together to form a Chapter but there is really no Chapter there as such.

Regarding the number of individuals in these Chapters, the Buffalo Chapter has approximately 30 members and the New York City and Oneonta Chapters have approximately 20 members. The Rochester Chapter has [REDACTED] of VVAW/WSO and does all the work and [REDACTED] who consider themselves to be VVAW/WSO members. The Chapters at Suffolk County and Old Westbury College have approximately ten members each. The remaining Chapters at Westchester - Putnam, Ithaca, Orange County, Mid-Hudson and Fredonia consist of [REDACTED]

Source advised that a person is considered to be a "member" of the VVAW/WSO if they attend the majority of the activities sponsored by their Chapter, perform work on behalf of the Chapter, and either agree with or can conceivably learn to agree with the ten objectives of the VVAW/WSO. [REDACTED] is providing coverage of regional activities.

b2
b7D
b7C

(2) Regarding the relation between the regional office and the national office of the VVAW/WSO, [REDACTED] who is the New York-Northern New Jersey Regional Coordinator, feels that it is the duty of the Regional Coordinator to act as liaison between the national office and the Chapters within the region. He feels that he must reflect to the national office any dissatisfaction expressed by the Chapters within the region if such dissatisfaction has been agreed upon as being justified by a majority of the delegates to regional conferences. He further feels that it is his duty to speak on behalf of the National Collective regarding decisions made by the National Collective which are binding by all members of the VVAW/WSO. As a decision which is binding by all members, an example might be that all members of VVAW/WSO support the amnesty demonstration being called for Washington, D. C., 7/1-4/74.

Support of the VVAW/WSO clinic in Alabama is also something that is required of members.

Political considerations as to whether decisions of the National Collective might reflect a Marxist-Leninist line or other left wing political philosophy are not points of question. The Regional Coordinator does not look upon the VVAW/WSO as a veterans affair organization; however, he does consider it to be a legitimate political organization that is interested in educating the people in the evils of the American imperialist society through legitimate protest activity.

b7C (3) [redacted] and individuals involved in running the region are not self-proclaimed Marxists-Leninists and have never indicated any violence prone philosophy. [redacted] and others in the region feel that violence can be justified if it is a defensive mechanism utilized to offset "outrageous attacks" upon the people by the government. An example of this would be actions by the police or the military involving the murder or destruction of people or an act by the government such as refusing to recognize a duly elected representative of the people who had been chosen in a free election.

(4) There is no evidence that anyone involved in directing the New York-Northern New Jersey Region supports ideologies advocating violent overthrow of the U. S. Government.

b2
b7D
b7C [redacted] does not know of any Chapter in the region that has been infiltrated by Marxists-Leninists other than possibly the New York City Chapter. It is felt by members [redacted] that the New York City Chapter has been infiltrated by members of the Revolutionary Union (RU), especially since [redacted] who is a member of the New York City Chapter, has stated that she has worked with the "outlaw" organization which is believed to be a RU front group.

Buffalo Chapter

b2
b7D (1) There are approximately 30 members of the Buffalo Chapter. The description of a member is contained in item #1 above [redacted] and [redacted] of the Chapter. [redacted] and [redacted] a [redacted] also provide coverage of the Chapter

BU 100-21623

activities. Several other symbol number sources of the Buffalo Office provide information regarding VVAW/WSO activities on a limited basis.

(2) The Buffalo Chapter generally supports the policies of the national office and the New York-Northern New Jersey Region. The Chapter may operate independently; however, if it feels that a decision by the national office or the region does not fit within the ten objectives of VVAW/WSO, the Chapter may interpret the ten objectives and reach decisions concerning this interpretation by democratic process within the Chapter.

There has been recent criticism of the activities of the Buffalo Chapter and the VVAW/WSO in general indicating that the organization is becoming chauvinist in nature due to its emphasis on veterans problems. It is felt that the VVAW/WSO was a veterans organization four years ago and now must be an organization that appeals on a full spectrum basis to all oppressed people. This is a minority viewpoint within the Chapter and most people in the Chapter continue to emphasize veterans problems as paramount.

(3) [REDACTED] that they are Marxists-Leninists; however, neither of these individuals appears to be violence prone. Most members of the Buffalo Chapter ascribe to the same theory regarding violent activity that is exhibited by [REDACTED] namely violence should only be used as a defense mechanism.

On several occasions during the planning of demonstrations and protest activities at Buffalo, the question of activity which would result in arrests by the members has arisen. This activity has normally been of a non-violent nature such as sit-ins or leafleting that had been prohibited by local regulations, etc. Even these activities, however, were not approved by the general membership and all activities to date at Buffalo and sponsored by the region have been non-violent legitimate protest activities that have been held in accordance with local legal requirements as to parade permits, use of bullhorns, etc.

(4) The Buffalo Chapter does not appear to contain any individuals who advocate the violent overthrow of the

BU 100-21623

U. S. Government. Efforts by groups in Buffalo, such as Young Workers Liberation League (YWLL), Communist Party, USA (CPUSA), Youth Against War and Fascism (YAWF), American Servicemen's Union and RU, to infiltrate Buffalo Chapter, VVAW/WSO have met with negative results. The policy of the Buffalo Chapter is that persons belonging to these other groups may become members of VVAW/WSO; however, when they attend VVAW/WSO functions, they may not promulgate any doctrines other than those within the framework of the ten objectives. For instance, a RU member cannot attend a VVAW/WSO function and act as a RU member. They must act as a VVAW/WSO member.

Rochester and Fredonia Chapters

b2 b7D

b7C There is no informant coverage of these Chapters; however, [redacted] who seems to be the [redacted] of the Rochester Chapter, is described by [redacted] as being generally in accord with the information provided above. There is no indication that the Fredonia Chapter would not be similar to Buffalo and Rochester Chapters.

b2 b7D The following general information was also provided by [redacted] regarding VVAW/WSO activities:

The VVAW/WSO reference to the works of LENIN, MARX, ENGELS and Chairman MAO relates in general to the theory of bringing about radical political change. By radical political change, according to the VVAW/WSO, is not change brought about by violence but rather by educating the people in political ideas that are currently unfamiliar to them such as the promulgation of a socialist political system. LENIN, MARX, ENGELS and Chairman MAO have been successful in bringing about the socialist system and their writings can be used as guidelines to bring about a democratic type of socialism in America. The socialism in America that the VVAW/WSO would like to see would not be based on socialism in any other country but would be unique, truly representative of the wishes of the people and very idealistic in nature. It is in these terms that the VVAW/WSO also talks about "revolution." They consider the revolution to be the scraping of imperialism and the embracing of socialism by the American people.

BU 100-21623

b2

b7D

[REDACTED] stated that this non-violent theory of revolution is evidenced by the fact that at the last National Steering Committee meeting in Milwaukee, it was felt that this revolution will take 60-100 years to occur. [REDACTED] feels that the VVAW/WSO is working to create a populous or socialist party as a third party alternative in the U. S.

[REDACTED] stated that a lot of people in VVAW/WSO are extremely idealistic in their political outlook and the certainty of this drift to a democratic socialism is a dream that they embrace. Source stated, however, that there are some people within the organization who have the capability of engaging in violent activities and consider themselves revolutionaries who would take to the streets and take up the gun if the need should arise. Source stated, however, that these individuals do not reflect the position of the VVAW/WSO and are usually kept in check by the majority of the members of the organization.

Source stated that these comments are made strictly through source's experiences as [REDACTED] who has had only very limited contact with other individuals associated with the VVAW/WSO nationally.

Captioned demonstration is being sponsored as a national action by the VVAW/WSO. The Revolutionary Union, Attica Brigade, and October League will also send representatives to participate. Public pronouncements of VVAW/WSO coordinators anticipate 3,000 people participating; however, privately they are hopeful to have 1,000 participate. This demonstration, however, coincides with the Folk Life Festival in Washington, D.C. which 1,500,000 people are reportedly expected to attend.

[REDACTED] is in a position to travel to afford coverage of captioned demonstration and no additional expenses beyond those regularly authorized are necessary for such travel. This will be the eighth source authorized to cover this demonstration and source's presence is desirable. While VVAW/WSO coordinators have publicly announced 3,000 participants, they privately are hopeful that 1,000 VVAW/WSO members will participate. There is, however, another unaffiliated group, the American Veterans Movement, which indicates it will have 30,000 individuals in Washington, D. C., to protest for veterans rights on July 4, 1974. Additionally there are reportedly going to be in excess of one million people attending the Festival of American Folk Life exhibits during the period July 3 - 7, 1974. Accordingly, VVAW/WSO informant coverage should be sufficient in order to discern the activities of that organization from others. This source is currently paid up to \$250.00 per month for services and up to \$150.00 per month for expenses.
