The Oakland Chapter of the VVAW/WSO has supported the policies of the national office in the past. It does not function as a legitimate Veteran's organization.

The Santa Cruz Chapter of VVAW/WSO generally supports policies of the national office, however, this support varies from issue to issue. The Santa Cruz Chapter is somewhat independent not only of the national office but of the regional office and is attempting to function as a legitimate Veteran's organization within the Santa Cruz area.

The California-Nevada Regional Coordinator of the VVAW/WSO is from the San Jose area and is likely to follow the national policies.

b7c (3) [REDACTED] advised on 6/7/74 that he knew of no one in the VVAW/WSO at the time that he was a member in [REDACTED] advocating Marxist or Maoist theories or other violent-prone philosophies.

The Oakland Chapter of the VVAW/WSO discusses the Marxist philosophy at those meetings in relationship to the local problems and activities of the Chapter. At a recent meeting, the Chapter voted to support the Symbionese Liberation Army (SLA).

There has been no indication of any Marxist-Leninist tendencies exhibited by leaders of the Santa Cruz Chapter of the VVAW/WSO other than some comments regarding support of the SLA philosophies. There has been no mention by members in support of violent-prone organizations or philosophies.

(4) Sources have provided no information that the San Francisco or San Jose Chapters of the VVAW/WSO are infiltrated or dominated by individuals supporting Marxist and Leninist ideologies advocating violent overthrow of the U.S. Government or other actions in violation of the laws of the U.S.

One member of the Santa Cruz Chapter has mentioned being knowledgeable in the Marxist-Leninist philosophies. This individual stated that he has studied Marxist-Leninist philosophies at the University of California at Santa Cruz,

however, he is not violent-prone nor has he attempted to dominate Santa Cruz VVAW/WSO meetings with his Marxist-Leninist philosophies or ideologies.

The Oakland Chapter is a small tightly-knit group who have known each other for sometime and they all believe in the same philosophies. They are against the present form of U. S. Government and support groups who feel the same way. They quote Marx more than any other social reformer. They are anti-law enforcement, however, there has been no reported evidence that they advocate violent overthrow of the U.S. Government.

On 6/12/74, [Redacted] advised that the only active VVAW chapters in the Idaho-Montana region of the VVAW are the chapters in Boise, Idaho, and Mountain Home, Idaho. The Boise Chapter is still a registered organization at Boise State University; however, there is only one active member and that is [Redacted] the regional coordinator of the VVAW/WSO for the Idaho region.

The center of activity for the Mountain Home Chapter is the Covered Wagon, which is still affiliated with VVAW, but is mostly a GI movement organization and does not actively support all of the policies of the National office.

The leader of the Covered Wagon is [Redacted] who does subscribe to a Marxist - Leninist philosophy.

There are about 15 other active members of the Covered Wagon, but most of these are interested only in GI rights and do not subscribe to any particular ideology.

Re Bureau airtel, dated 5/28/74.

There are three (3) viable chapters of VVAW/WSO within the Cincinnati Division. They are located at Cincinnati, Columbus, and Dayton, Ohio.

A. Cincinnati Chapter

1. The Cincinnati Chapter has approximately [REDACTED] members. Internally they talk good game on recruiting but have been highly ineffective on any follow-through. [REDACTED]

2. The chapter supports the policies of the National Office to a high degree. It does not notably function as a legitimate veterans organization, as most of its business functions concern themselves with demonstrations on amnesty and other broad current issues not specifically relating to bona fide Veterans.

3. The current leader of the Cincinnati Chapter is [REDACTED], who has the chapter working in close affinity with the Revolutionary Union (RU) in the conduct of demonstrations. [REDACTED] appears to espouse the MAO line and from time to time quotes MAO. To date, there has been no advocacy within the Cincinnati Chapter by [REDACTED] or other members of overt violent tactics.

4. As an extension of #3 above, [REDACTED] appears to be supporting the MAO aspect of Marxist-Leninist ideology, but has not overtly advocated the violent overthrow of the Government. The members of the Cincinnati chapter have a low plateau of knowledge concerning the formal doctrines of Marxism-Leninism.

B. Columbus Chapter

b2  
b7D  
b7C

1. The Columbus, Ohio chapter has approximately [REDACTED] members.

2. The chapter completely supports the objectives and policies of the National Office as set forth in "Winter Soldier". During regular meetings of the chapter, the President, [REDACTED] has limited debate on objectives of the chapter and stated, "Go home and read the 'Winter Soldier'". [REDACTED] has inferred individuals who disagree with the stated objectives are not welcome as members of the chapter.

b7c

[REDACTED] was recently elected Regional Coordinator of the MOINKWAWPA Region and moved the office to 255 West Fifth Avenue, Columbus, Ohio, 43201, Post Office Box 10116.

3. Whenever discussions at chapter meetings have touched upon Marxist-Leninist doctrine, chapter spokesmen have on every occasion emphasized the organization is in complete disagreement with violence-prone activities or tactics which could encourage violence.

4. Known individuals professing extremist ideologies who have been prominent in protest activities in the Columbus, Ohio area have not attempted to infiltrate the local chapter.

C. Dayton, Ohio Chapter

1. The Dayton, Ohio chapter has approximately [REDACTED] members. [REDACTED] who provides additional coverage.

2. The Dayton chapter is somewhat independent of the National Office and does function to some extent, in some legitimate Veterans activities such as Counseling.

3. The Dayton chapter does not generally subscribe to Marxist-Leninist philosophy. The leader, [REDACTED], has indicated a mixture of many philosophies.

4. The Dayton chapter is not dominated by individuals supporting Marxist-Leninist ideology. There has been no open advocacy of violent acts.

On 6/10/74, [REDACTED] who has furnished reliable information in the past, advised that the NYC Chapter generally supports the policies of the National Office as laid down by the National Steering Committee (NSC) at its quarterly meeting. The Chapter is not independent of the National Office or the New York - Northern New Jersey Regional Office in Buffalo, NY, although it can exhibit some independence in relatively minor matters that are not contrary to the objectives of the organization such as endorsing a demonstration or actions of other organizations or of furnishing speakers for functions of other organizations. On matters of importance with respect to programs or actions, the Chapter consults with the Regional Office and the National Office.

The NYC Chapter at this time, functions or at least attempts to function as a legitimate veterans organization. Its main efforts in 1974 have been directed at amnesty, discharge upgrading, obtaining increased benefits for Vietnam War era veterans and at obtaining jobs for veterans. The NYC Chapter had affiliation with the Mayor's Office of Veterans Affairs (MOVA) in NYC, an organization aimed at improving the lot of veterans in NYC and has liaison with the City University of New York Veterans Action Committee (CUNYVAC), an organization composed of representatives of veterans organizations in the colleges of the City University of New York and participated in a CUNYVAC-sponsored demonstration in NYC. With respect to the amnesty issue, the VVAW/WSO is more interested in upgrading the discharges of veterans with less than honorable discharges than it is with the plight of non-veterans who fled the US to avoid military service.

Some of the leaders of the NYC Chapter subscribe to a Marxist-Leninist ideology but those persons are not known to source to have embraced a violence-prone philosophy. These persons are "communists" in belief but are not known to source to belong to communist organizations, or to follow the line of any particular communist organization. The politics of the Chapter at this time is undefined which is probably the reason it is willing to consider some sort of affiliation with the Revolutionary Union (RU) (See below)

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

NY 100-160644

With respect to a violence-prone philosophy the NYC Chapter is not known to source to have advocated the use of violence. It is the feeling among many members of the NYC Chapter that the reputation of the organization as being violence-prone is unwarranted and is largely due to the indictment and trial of some VVAW/WSO members in Florida in 1972-1973, on charges of conspiracy to violently disrupt the Republican National Convention in 1972, which received wide publicity. As a result, the discussion of the use of violence is considered bad "politics" in the NYC Chapter and is avoided.

The NYC Chapter is not known to source to be infiltrated or dominated by individuals supporting Marxist-Leninist ideologies advocating violent overthrow of the US Government or other actions in violation of the laws of the US. In 1973, the NYC Chapter took precautions to insure that it was not infiltrated or dominated by the Progressive Labor Party (PLP).

Recently the RU has approached the VVAW/WSO concerning an affiliation of the organizations, the exact nature of which is unknown to source. Source learned that recently two members of the VVAW/WSO National Collective in Chicago, Illinois, were approached by leaders of the RU in Chicago concerning an affiliation between the organizations. This matter was discussed with the leadership of the NYC Chapter and at the General Membership meeting of the NYC Chapter on 6/3/74, the matter of the extent of RU participation in the VVAW/WSO demonstration in Washington, D. C., 7/1-4/74, and future affiliation with the RU was on the agenda. Due to lack of time the matter was not discussed but it was announced that the matter of an affiliation with the RU will be the main item on the agenda of the next General Membership meeting of the Chapter, tentatively scheduled for 7/8/74, which will be attended by RU members who will make a presentation of RU politics and programs. Source surmised that the NYC Chapter will make a decision on this matter which will be presented at the

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

NY 100-160644

next Regional meeting of the New York-Northern New Jersey Region in July, 1974, and the regional proposal on this matter will be presented to the next NSC meeting in Buffalo, New York, in August, 1974. According to source, this matter of affiliation with the RU is being discussed openly.

b2  
b7D  
On 6/11/74, [REDACTED] who has furnished reliable information in the past, advised that the NYC Chapter generally supports the policies of the National Office in matters of importance on programs and actions, but that these policies appear to be a consensus of the views of the Chapters. In minor matters, the NYC Chapter has some independence of action that are not contrary to the policies of the National Office.

At the present time, the NYC Chapter attempts to act as a legitimate veterans organization but source believes that these activities on behalf of veterans has a high aim of recruiting persons into the organization which source describes as an anti-imperialist, anti-capitalist organization. Source believes that when the "Winter Soldier concept" becomes fully implemented and the VVAW part of its name is dropped, the Chapter will lessen its activities on behalf of veterans.

Source advised that some members of the NYC Chapter and some of the leadership of the Chapter certainly are anti-capitalist and anti-imperialist in their beliefs and profess to believe in the ten objectives of the organization. It is difficult to determine if these persons subscribe to a Marxist-Leninist philosophy or other violence-prone philosophy because the subjects of communism and violence are never openly discussed at meetings.

The NYC Chapter is not known to source to be infiltrated by individuals supporting Marxist-Leninist ideologies advocating violent overthrow of the US Government or other actions in violation of the laws of the US.

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

NY 100-160644

Source related that at the general membership meeting of the NYC Chapter on 6/3/74, it was announced that the matter of an affiliation between the VVAW/WSO and the RU will be discussed at the next general membership meeting of the Chapter in July, 1974, which will be addressed by RU speakers. At the present time, RU publications "The Worker" and "Revolution" are available at the headquarters of the NYC Chapter for Study by the membership of the policies and programs of the RU.

From the foregoing interviews and from a review of the recent activities of the NYC Chapter, the following analysis is made.

1. The NYC Chapter generally supports the policies of the National Office as laid down by the NSC in important matters. In minor matters that do not conflict with the policies of the National Office or the ten objectives of the organization, the NYC has some independence. The NYC Chapter attempts to function as a legitimate veterans organization although this might be an ostensible activity with the real aim of the recruiting of members.

2. The Chapter and some of its leaders follow an anti-capitalist, anti-imperialist line and some of the leaders subscribe to a Marxist-Leninist philosophy although they are not known to subscribe to a violence-prone philosophy. These leaders are not known to belong to any communist organizations.

3. The NYC Chapter is not dominated by individuals supporting Marxist-Leninist ideologies advocating violent overthrow of the US Government or other actions in violation of the laws of the US.

4. ~~The NYC Chapter will meet with leaders of the RU in July, 1974, concerning an affiliation, undefined at this time, between VVAW/WSO and the RU..~~

VIETNAM VETERANS AGAINST THE  
WAR/WINTER SOLDIER ORGANIZATION  
(VVAW/WSO)

On June 10, 1974, a confidential source furnished the following information:

On June 7th through the 9th, 1974, there was a conference of the Association of the Vietnamese Patriots in Canada, held at the Pavilion Lafontaine, University of Quebec, 1301 Sherbrooke East, Montreal, Canada. Approximately ten members of the Vietnam Veterans Against the War/Winter Soldier Organization (VVAW/WSO) were in attendance at the conference.

The VVAW was formed in 1967 as an organization of Vietnam veterans to protest American involvement in the war in Southeast Asia. Since that time VVAW leaders have told members the VVAW is a revolutionary group, not "just another group of war veterans". Also, the membership has been told the VVAW has been asked to cooperate on an international level with many organizations, including communist and Maoist groups. Additionally, it was indicated that "anti-imperialist groups" consider the VVAW a potent organization of similar stature in the United States. In April, 1973, the group changed their name to VVAW/WSO so that non-veterans could become members. Current VVAW/WSO national officers are Marxist-Leninist oriented and strive to educate their membership in Marxist-Leninist doctrine.

RE: VIETNAM VETERANS AGAINST THE WAR/  
WINTER SOLDIER ORGANIZATION (VVAW/WSO)

Attendance at the conference was approximately 350 to 400 people over the course of the weekend. About half the people at the conference appeared to be Americans. There were approximately 20 Vietnamese and no blacks in attendance. The purpose of the conference was to commemorate the fifth anniversary of the founding of the provisional revolutionary government of the Republic of South Vietnam.

Organizations which attended the conference were the Provisional Revolutionary Government, Young Socialist League, Revolutionary Union, Indonesia Peace Campaign, American Servicemen's Union, Chilean Liberation Organization, Quebec Federation Union and a small delegation from the United Arab Republic.

On the evening of June 7, 1974, the session consisted of discussion by JANE FONDA in French which gave a picture of the current situation in Vietnam. Saturday, June 8, 1974, consisted of a series of workshops from 9:00 AM to 5:30 PM. The evening hours consisted of cultural programs with artists, singers and dancers from several countries. June 9, 1974, consisted of a meeting from 9:00 AM to 2:00 PM at which time a resolution was drawn containing demands on the Canadian and American governments.

JANE FONDA indicated at the conference she would participate in the VVAW/WSO demonstration to be held in Washington, D. C., July 1 through 4, 1974.

The Revolutionary Union (RU) was founded in early 1968 and is a militant, semiclandestine organization. Its objectives, as set out in its publications, are the development of a united front against imperialism, the fostering of revolutionary working-class unity and leadership in struggle, and the formation of a communist party based on Marxism-Leninism-Mao Tse-tung thought, leading to the overthrow of the United States Government by force and violence.

RE: VIETNAM VETERANS AGAINST THE WAR/  
WINTER SOLDIER ORGANIZATION (VVAW/WSO)

The American Servicemen's Union (ASU) was founded in 1968 by the Workers World Party (WWP). Its objectives are to cause discontent among military enlisted personnel and call for the establishment of a servicemen's union. Its main propaganda weapon is the publication "The Bond - The Servicemen's Newspaper".

The WWP was founded in 1959 by individuals who disagreed with policies of the Socialist Workers Party (SWP). The WWP dissidents advocated unconditional support of the Soviet Union and the building of a revolutionary party geared to the overthrow of Capitalism. More recently, the WWP has called for peaceful solutions to Sino-Soviet disputes, however, the WWP generally supports the Peoples Republic of China in its ideological differences with the Soviet Union.

RESOLUTION DRAFT

On the occasion of the 5th anniversary of the founding of the Provisional Revolutionary Government of the Republic of South Vietnam (June 5th, 1969), the Association of Vietnamese Patriots in Canada held a conference on June 7, 8, 9 in Montreal.

Participated in the activities of the Conference, there are more than 400 people representing different Canadian, Québécoise and American organizations.

Following the interventions and discussions of delegates on the present situation in Vietnam, 16 months after the signing of the Paris Agreements, all participants to this Conference unanimously reach the following conclusions:

IN WHICH THAT:

1. The aggravation of the present situation in South Vietnam is due to the obstination of the Saigon administration for not having respected the Paris Agreement;
2. The sabotage of the two-party Consultative Conference at La Celle St-Cloud, the non-respect of the immunity of the PRC NS Military Delegation at the two-party Joint Military Commission (JMC) in Saigon, the slanderous campaign aimed at discrediting the PRC - based on the so-called "terrorist attacks" of the PRC against the civilian population - are parts of a premeditated plan of the Saigon administration in view to create along with other her acts, a tense atmosphere in South Vietnam in order to put the pressure on the US Congress more necessary military funds for the pursuing of the war;
3. The main and direct cause of all manoeuvres of the Saigon administration is the continuation of the US policy in Vietnam. As long as the Nixon administration continue to aid the Thieu regime militarily and economically, the Saigon regime will continue to violate the Paris Agreement.

While only a small number of approximately 1,000 to 3,000 reportedly will participate in captioned demonstration, a coincidental demonstration sponsored by the American Veterans Movement reports as many as 30,000 will participate and also a large number of people, reportedly in excess of 1,000,000, will be in Washington, D. C., participating in the Festival of American Folk Life during the period July 3 - 7, 1974. Source believes credibility as a VVAW/WSO member requires presence at this demonstration. MAY 4-5, 1974

On May 4 and 5, 1974, there was a conference of the

was held at the Riverside Salem Church, 25 Calumet, Buffalo,

The VVAW was formed in 1967  
as an organization of Vietnam veterans  
to protest American involvement in the  
war in Southeast Asia. Since that time  
VVAW leaders have told members the VVAW  
is a revolutionary group, not "just  
another group of war veterans." Also,  
the membership has been told the VVAW  
has been asked to cooperate on an inter-  
national level with many organizations,  
including communist and fascist groups.  
Additionally, it was indicated that  
"anti-imperialist groups" consider the  
VVAW a potent organization of similar

stature in the United States. In April, 1973, the group changed their name to VVAW/WSO so that non-veterans could become members. Current VVAW/WSO national officers are Marxist-Leninist oriented and strive to educate their membership in Marxist-Leninist doctrine.

the activities of the region and the various Chapters within  
the region. Copies of the typed Round Robin reports of the  
region, the Westchester - Putnam Chapter, the Oneonta Chapter,

the various Chapters within the region:

Buffalo Chapter

The Buffalo Chapter is the strongest in the region  
having their own store front headquarters with an extensive  
library of socialist and communist literature and books. They

They are also conducting discharge upgrading work and offer counselling to GIs with less than honorable discharges. They also offer advice to individuals on how and why to resist the draft.

A report was given on the National Steering Committee meeting which occurred in Milwaukee, Wisconsin, April 11-15, 1974. The following information was contained in the report:

- (1) There will be an amnesty demonstration sponsored by VVAW/WSO in Washington, D. C. from July 1-4, 1974. Logistic sheets, posters and leaflets are available from the national office.
- (2) The Bogue Chitto Clinic in Alabama was discussed. The clinic is involved in health care for the people, rural organizing and organizing generally in the deep south. There are two full-time organizers utilized by the clinic. Funds for the clinic are obtained by the presentation of slide shows regarding the clinic whereby money is raised. The slide shows are also utilized to do political education work.
- (3) There will be a national VVAW/WSO "GI organizing workshop" in Denver during the Labor Day weekend.
- (4) There will be a National Defense Committee workshop sponsored by VVAW/WSO on June 7, 8 and 9, 1974 in St. Louis.
- (5) "An internal funding proposal" was made whereby each member (except for prisoners) will contribute \$1.00 per

month to support the national collective and the "Winter Soldier" newspaper. This proposal will be voted on at the next National Steering Committee meeting.

(6) The next National Steering Committee meeting will be in the New York region from August 8-12, 1974.

(7) There was discussion of the national office report which discussed the rewrite of the ten objectives of the organization, and the concept of a mass organization. The point was brought out that the ten objectives are not goals of the organization but should be principles of unity.

(8) The New York - Northern New Jersey region has annexed Connecticut and Rhode Island.

Source: [REDACTED] b2  
May 13, 1974 b7D

The following items of new business were discussed:

(1) Change in the voting structure. At future meetings the Regional Coordinator and Sub-Regional Coordinator have one vote. At this point, [REDACTED] was given a vote of confidence as the Sub-Regional Coordinator whose duty it is to maintain contact with his half of the state. Chapters which have one or two people doing all the work will have two votes at the conference. Chapters in which the work and decisions are handled collectively will be allotted three votes.

(2) The position of Sub-Regional Coordinator was officially created although [REDACTED] has been doing the work of Sub-Regional Coordinator for a few months.

(3) On May 18, 1974, there will be a silent demonstration at the United States Military Academy, West Point, New York. A permit has been obtained and there will be police

protection at the demonstration. Not much organizing has been done throughout the region for this demonstration at West Point.

(4) The July 1-4, 1974 demonstration at Washington - one person from each Chapter will be delegated the responsibility for coordinating support for the demonstration.

(5) Winter Soldier investigation on the concealment of war dead - general discussion was held to drop this as a regional project because it does not appear to be feasible.

b7c  
(6) Security - it was learned that the Federal Bureau of Investigation (FBI) has visited ██████████ in Buffalo and GARY (LNU) in Suffolk County. It was also learned that a Veterans Administration head named ██████████ has ordered an investigation into the veterans at Stony Brook, Long Island.

(7) National office and the concept of a mass organization - there was a great deal of concern that the National Collective was manipulative at the National Steering Committee meeting. The members at the regional meeting who had attended the national meeting were asked questions on what they experienced. The consensus of the members of the delegation was that no deliberate manipulation went on, but that the National Collective is suffering from isolation from the rest of the organization. It was decided that the region will write and ask the National Collective to send the region the raw data that they received from different regions on objective changes and then the regions will judge for themselves if the collective was manipulative or not.

(8) Buffalo was chosen as the site of the next National Steering Committee meeting.

(9) High Falls, New York, in the area of the Mid-Hudson Chapter, was chosen as the site of the next regional,

In addition to the above, the following was learned:

The Winter Soldier investigation being carried on as a regional project was voted down at the National Steering Committee meeting in Milwaukee. This means that the National Collective will not be adopting this program on a national level. The National Steering Committee also voted not to give its endorsement to the project; however, it will still be carried on in this region.

b7C  
b7D

There appears to have been a lot of confusion among the Chapters as to whether or not the West Point demonstration was going to be held. [REDACTED] from the Westchester - Putnam County presented the working plan for the demonstration to the meeting and it was strongly endorsed by [REDACTED] as a good project for the region. [REDACTED] also made a strong plea for support of the demonstration to the Chapters present. He stressed the point that each Chapter should do as much as it could to ensure support from the communities not just from the Chapter members. He also said that this is a building block demonstration and the more media coverage it receives, the more support it gets will improve the chances of making the Washington demonstration a national success.

[REDACTED] distributed leaflets to the rest of the Chapter delegates for dissemination in their own communities. [REDACTED] from the New York City Chapter is in charge of media releases through the principal New York radio, television stations and newspapers. These releases will be made starting one week in advance.

NEW YORK - NORTHERN NEW JERSEY  
REGIONAL CONFERENCE,  
BUFFALO, NEW YORK  
MAY 4-5, 1974

Arrangements are being finalized to run buses and car caravans into West Point from the various Chapters. The most reliable estimate of the number of people attending is in the neighborhood of 200 to 400.

On May 5, 1974, the Washington, D. C. demonstration was the prime topic of discussion. [REDACTED] the Regional Coordinator, ran through the working plans which call for three days of continuing actions at the Veterans Administration, Congress, the White House and the streets of Washington, D. C. followed by a major march and rally on July 4, 1974. [REDACTED] pointed out that there would be several other organizations taking part but the overall sponsorship belonged to VVAW/WSO. The logistics of the action are being handled by Maryland-Delaware regional VVAW/WSO.

Individual regions will be organizing themselves into separate units for the actions and for internal security while in the camp site. Members will be asked for from the various regions to act as kitchen help for the communal kitchen and as marshalls to provide security for the actions and perimeter guard at the camp site.

There was a question raised as to whether "people in the streets" would do any good as far as the amnesty issue is concerned. [REDACTED] and [REDACTED] of the Buffalo Chapter combined to reply that mass demonstrations and confrontations are the only means for the people (working people) to force the Government into action. This demonstration is meant as a peaceful protest; however, if the demonstrators are provoked, then "history" should be allowed to take its "natural course." [REDACTED] in particular pointed out that in most cases violence is the peoples best means of becoming visible.

Arrangements are being made to run two sets of buses into Washington from this region. The first runs will take the members who will be staying the entire four days. The

second runs will be bringing in people for the big march and rally on July 4, 1974.

A National Collective has been appointed and will begin operating within a week to handle organization once the Chapters start arriving in Washington. Each regional director will have access to this collective. A proposal was made and passed that this region should make contact with individual Congressmen who are sympathetic to VVAW/WSO so that they may bring the subjects of amnesty and Veterans Administration benefits to the attention of Congress.

In addition to the above, the following was also learned:

Regarding the demonstration at West Point on May 18, 1974, the picnic following the demonstration will be held at the Unitarian Church, Cornwall, New York. The VVAW/WSO is aware that Governor BARSOLOMI WILSON will be at a college near West Point but they do not plan to violate their parade permit by going to the college.

Regarding the July 1-4, 1974 demonstration in Washington, D. C., [REDACTED] from the New York City Chapter was scheduled to go to Washington, D. C. the weekend of May 9 and 10, 1974 to begin organizing the demonstration. The demonstration is to be in coalition with the Communist Party, USA and the American Veterans Movement. [REDACTED] expects approximately 5000 individuals to attend the demonstration.

Regarding the investigation of unreported deaths incurred in the Vietnam war, the possibility of infiltrating military record centers was discussed at the conference, since it was felt that information concerning these unreported deaths

VIETNAM VETERANS AGAINST THE WAR/WINTER SOLDIER ORGANIZATION  
NEW YORK - NORTHERN NEW JERSEY REGIONAL OFFICE

ROUND ROBIN REPORT - REGIONAL MEETING, BUFFALO, MAY 4th &  
5th, 1974

**REGIONAL GROWTH:** The Region is slowly gaining in size and activity. Since the last Regional meeting, we have gained 2 chapters in Fredonia and Old Westbury. The rest of the Region remains approximately as it was in February. NYC, Buffalo, Rochester and Oneonta maintain a consistent and collective presence in their communities. Suffolk County, Ithaca, the chapters in the mid-Hudson coalition and Potsdam function consistently but remain dependent on the efforts of one or two individuals. Albany is totally inactive and the Regional Office has had no word from them since the fall.

**ACTIVITY:** Since the Monroe meeting, the only Regional level activity was the Gary Lawton speaking tour. Gary spoke in NYC, Suffolk County, Nassau, Oneonta, Buffalo and Fredonia. He was well received and developed solid ties with the Attica Brothers and other political prisoners and progressive groups.

**FINANCES:** Right now the Region is in bad straits. The balance on hand is \$4.59. Since the last meeting, our expenses have totaled \$287.31 and income has been only \$9.00. The great bulk of our expenses have been in postage and shipping. While there is no danger of the Regional Office folding, this lack of funds does limit our effectiveness and our ability to distribute resource material.

**POLITICAL EDUCATION:** There has been no PE work on the Regional level other than trying to provide resource material. The larger chapters are all building ongoing and structured PE programs while smaller chapters have only sporadic and unorganized efforts.

**PERSONAL ASSESSMENT:** This meeting makes slightly over seven months since I became coordinator. I feel that a basis for further growth has been built and maintained. What generally existed prior to last October has grown stronger. However, there has been little progress or growth other than that. One main deterrent has been the amount of time I've been able to spend on Regional affairs, I believe, particularly since I started a full-time job in February. Most of the effort I've

been able to pull into Regional affairs has been spent on the mechanistic details that come with being coordinator: newsletters, minutes, mailing lists, petitions, etc. This hurts\*\* prison support work and general outreach. It is to the credit of the general membership of the region's chapters that growth has proceeded to the extent it has on local levels. I feel optimistic about the near future, however, for at least four reasons - 1) the growth and development of VVAN/MSO on a National level; 2) the formation of a regional support committee by the Buffalo Chapter; 3) the fact that much of the shitwork involved in the Regional Office is now pretty much established and 4) that I feel that soon I'll be in a position to look for a job that is less demanding on my - and the Regional Office's - time.

LOCAL CHAPTER REPORT

The chapter is continuing to grow. There are now approximately 20 people working on a "regular" basis. Between monthly dues and speaking/movie gigs we're holding our own financially.

Most of our efforts have been directed at the May 18th action. Between the meetings, the coordination, the meetings, the fund-raising, the meetings, the publicity, logistics, and more meetings, everyone's been busy. We've done speaking gigs in a high school and a church and had WSI showings at SUNY Purchase and Vassar. There's another church, a coffee house and a New Democratic Coalition conference lined up before West Point.

We're getting ready (within the next month (or two)) to begin a DDP and a veterans benefits counseling service. We are also in the planning stages of developing a relationship with the area VA hospital.

The chapter as yet has no PVS rap group. Nor a study group. Nor a women's group. And there's disappointment with college contacts. And Winter Soldier sales. These things will come when there's the people and the people have the time.

in order to be able to do this we must have a good working relationship with the various chapters of the organization. Although we are having difficulty keeping a good study group going, which has been really good for the coming month. It will be organizing for the regional and national amnesty/IA demonstrations. Following is a review of our activities since the last regional meeting:

- leafleting
- radio interviews
- letters to the town paper on amnesty
- letters to Riverside
- film showings with discussions on the war, amnesty, and Nixon.
- lit tables at the SCCC and Harwick College campuses.
- Winter Soldier sales
- Women's rap groups

VFW, Am Legion

Our Edgar Folks Hospital proposal was attacked by the DAV. The county commander said to me privately that they won't support our proposal because of our politics and because of the likelihood that, if the proposal went through, a lot of black vets would come to Canada.

It seems that at this point the low-cost housing part of the proposal is being given the most serious consideration.

Our attempt to bring out a general strike idea was not a success. It was one thing to say, "this is not justice in 1968". The thought does not have a consistent attitude about the failure of the strike to come off though, and we gained new members.

Gary Lowman's speaking gig was a success. The feedback from his talk is the best of any we have received before. A lot of black students who came to see him covered him to George Jackson. Our ties with the third world people at Trenton are much closer now thanks to Gary's speaking gig here.

RS - We have a chapter newsletter now. It is sent to the chapters in this region and to the R.S. It is receiving a lot of local program people to join it.

ITHACA CHAPTER REPORT

Since the last regional meeting we have appeared on a morning radio talk show in which people called in with questions on amnesty. We wrote two letters to the editor of the local newspaper, one on amnesty and one on the Vietnam Vets Day in which we also discussed amnesty. We co-sponsored a talk given by Bart Lubow, a G.I. organizer in Okinawa. We are continuing to sell Winter Soldiers and will be participating in an anti-Rockefeller demonstration in Syracuse on Monday.

The most important aspect of chapter development since the last regional meeting is the division of most efforts into the action and speaking & publicity committees. Coordination and direction between committees and between meetings is still of course handled by the steering committee. The staff continues to perform necessary day-to-day duties.

Building an amnesty campaign in the NYC area is the basic activity of the chapter. On March 29 there was an action at the NY State Regional VA which was moderately successful in terms of the exposure given to a confrontation with Nugent, Regional Director. He agreed that it would be better administratively to have a single type discharge, but refused to sign a petition for it.

A second action outside the VA (on April 26) was co-sponsored by us and CUNY Veterans Action Coalition (including 16 city colleges and ASU). WBAI covered both this and the first demo, and we were also covered by two tv channels. There is very bad feeling from several quarters toward ASU. Because of that and a lack of political definition we feel wary of giving too much energy to CUNY VAC's activities right now, although we certainly continue to nudge them (as diplomatically as possible) with our politics and to maintain relations. This is because there is a real potential in the coalition: the increasing awareness of 40,000 vets in the CUNY system.

We participated in the Indochina Brigade at the impeachment rally in DC, sent a speaker to the Gay Rights Action Coalition rally which supported passage of Intro II (a civil rights bill now before the City Council), and helped organize a speaking tour of southern NY state for Gary Lawton. ~~He~~ was quite successful - both money and his spirits were raised. His meeting with our chapter was followed by a social which we hope to make a monthly affair so that members can more easily build a spirit of friendship.

The Discharge Upgrading Project has become firmly established, though it will always be on a small scale because we must not sacrifice political motives to the risk of becoming merely a service group.

Some of the badly discharged vets from the DUP have begun to work with some chapter members in order to prepare for appearances on the media; ~~they~~ have lately been clamouring for them -- bad discharges are in. *which*

The speaking & publicity committee continues to arrange and fill speaking engagements before community groups, in high schools and colleges, on radio and tv etc, to help give increasing exposure to the amnesty issue.

Of course weaknesses still abound. Attendance at general membership meetings has levelled off at around 20 and few new people have become involved. We hope that public exposure will increase recruitment. A fundraiser with speakers and a showing of The Last Patrol was a total flop; however, it was not actually a chapter activity.

A women's group was meeting fairly regularly but is now defunct. Winter Soldier unfortunately does not sell itself; we must start selling them regularly again, along with getting the amnesty petitions signed.

Revenue for the past 4 months was just under \$1700. and expenses were under \$1600.

In regard to the tentative agenda for this meeting:

- WSI status -- a peripheral chapter member is collecting data
- Prisons -- we actively supported the Attica demo in front of the Waldorf Astoria
  - we are in communication with  $\frac{1}{2}$  a dozen prisoners - doing DUP work, helping support the family of a brother in Leavenworth military barracks, etc
  - 1 member is working on her own with the LBODC
- May 18 -- we've done a leaflet, checked out buses, and mentioned it wherever appropriate.

We've discussed the necessity and feasibility of making an amnesty film or video tape. This meeting might wish to discuss it. Since 2 members of the national office are in NYC this week to then as part of the national collective so that a decision can be made quickly.

Re Atlanta letters, 3/15/74, and 4/30/74.

No information has been developed indicating any revival of VVAW/WSO within the Atlanta Division.

As FBIHQ and Chicago are aware, Georgia was absorbed into the Florida Region.

Tampa Division recently advised that since Florida absorbed the inactive Georgia region, no efforts had been made to re-activate Georgia VVAW and no persons in Georgia had been contacted.

In addition, Tampa noted that regional VVAW headquarters had been changed from Tampa to Miami, and it was unknown whether any contact was contemplated by Miami VVAW with persons in Georgia.

By letter dated 4/29/74, Miami Division reported that no known contact has been made between Miami VVAW and Georgia. The chapter leader at Miami has made efforts to regenerate interest at Tampa, however, no mention was made of any effort to re-activate the Georgia Region or even to contact former Georgia VVAW members.

It is noted that no known Georgia representative was reported in attendance at the VVAW/WSO Steering Committee Meeting held in Milwaukee during the period 4/11-15/74.

The VVAW was formed in 1967 as an organization of Vietnam veterans to protest American involvement in the war in South-east Asia. Since that time VVAW leaders have told members the VVAW is a revolutionary group, not "just another group of war veterans." Also, the membership has been told the VVAW has been asked to cooperate on an international level with many organizations, including communist and Maoist groups. Additionally, it was indicated that "anti-imperialist groups" consider the VVAW a potent organization of similar stature in the U. S. In April, 1973, the group changed their name to VVAW/WSO so that non-veterans could become members. Current VVAW/WSO national officers are Marxist-Leninist oriented and strive to educate their membership in Marxist-Leninist doctrine.

VIETNAM VETERANS AGAINST THE WAR/  
WINTER SOLDIER ORGANIZATION (VVAW/WSO)

This investigation is based on information which indicates that captioned organization is engaged in activities which could involve violations of Title 18, U.S. Code, Sections 2383 (Rebellion or Insurrection), 2384 (Seditious Conspiracy), 2385 (Advocating Overthrow of the Government), 2387 (Sedition), and 793 (Espionage).

VVAW/WSO was organized in New York City in 1967 as an organization of Vietnam veterans to protest the American involvement in the war in Southeast Asia. VVAW/WSO engaged in various protest activities but during late 1971 demonstrated increasing militancy, culminating in 12/71 with VVAW/WSO takeover of various American landmarks and public buildings. Information was also developed indicating that some VVAW/WSO chapters were cooperating with or infiltrated by communist-dominated groups including the Communist Party, USA, and the Socialist Workers Party. Certain VVAW/WSO leaders were quoted as telling members VVAW/WSO is a revolutionary organization and not "just another group of war veterans". VVAW/WSO leaders have traveled to North Vietnam and have reportedly established liaison with revolutionary or terrorist groups internationally. In 1/73 at a National Steering Committee meeting, VVAW/WSO leaders discussed programs aimed at obtaining support from or influencing active duty military personnel. They also discussed obtaining access to classified Government information to be used against U.S. interests and one leader subsequently actively engaged in such activity. There were also indications at this meeting that VVAW/WSO activists possessed the technical knowledge and training to carry out any revolutionary program proposed. In 8/73 at a National Steering Committee meeting, some members of the national leadership promoted education of the entire VVAW/WSO membership in

The Stalinist group is supported by the National Office of VVAW/WSO. Additionally, the National Office contributed financial support to a program of recruitment of military personnel designed to promote political indoctrination with the objective of creating disruption and disorientation within the military at such time as there is a revolution within the United States. VVAW/WSO is currently headquartered in Chicago, Illinois.

RE: VIETNAM VETERANS AGAINST THE WAR/  
WINTER SOLDIER ORGANIZATION (VVAW/WSO)

Source subsequently, on 6/10/74, advised that he had gone to a scheduled VVAW/WSO meeting at KSU and that no one showed up and no meeting was held. Source at this time also advised that he had been attempting to locate [REDACTED] without success.

On May 30, 1974 [REDACTED] advised that the VVAW/WSO had been inactive at KSU during Spring term; that although the organization was a recognized campus organization, and was furnished office space in the student center, that office has not lately been occupied. Source added that the VVAW/WSO had also abandoned its former activity of distributing literature at a table in the student center during mid day. Source was of the opinion that student interest at KSU in the VVAW/WSO was negligible. Source expected no VVAW/WSO activity during the summer months at KSU.

NOTE:

Source is a member of the ██████████ of VVAW/WSO and will be part of the chapter contingent traveling to this demonstration. He is the VVAW/WSO informant to travel to and participate in this demonstration and since this chapter is so large source could furnish valuable information and additionally enhance his position. While VVAW/WSO estimates of participants range from 1,000 to 3,000, an additional nonaffiliated group of veterans will demonstrate in Washington, D. C. on 7/4/74, and this group has indicated as many as 30,000 would participate. While we are not covering this latter group, the American Veterans Movement (AVM), it may be extremely difficult to discern between the VVAW/WSO and the AVM participants. This is the source approved to participate. Source is currently paid up to \$175 per month for services and up to \$55 per month for expenses. requested additional payment for services in view of the belief that the current authorization of \$175 per month is insufficient to pay for this activity and other anticipated activities during 7/74. ACTIVITIES IN CONNECTION WITH THE VVAW/WSO

A preliminary inquiry has been initiated concerning subject for the purpose of determining if the subject is a leader or activist of the VVAW/WSO, activities of which could involve violations of Title 18, U. S. Code, 2383 (Rebellion or Insurrection), 2384 (Seditious Conspiracy), 2385 (Advocating Overthrow of the Government), 2387 (Sedition), and 793 (Espionage).

b2  
b7C, D

On April 11, 1973 [REDACTED] furnished a list of the VVAW/WSO Regional Officers. The name [REDACTED] Las Cruces, New Mexico, appears on this list.

The VVAW was formed in 1967 as an organization of Vietnam veterans to protest American involvement in the war in Southeast Asia. Since that time VVAW leaders have told members the VVAW is a revolutionary group, not "just another group of war veterans." Also, the membership has been told the VVAW has been asked to cooperate on an international level with many organizations, including Communist and Maoist groups. Additionally, it was indicated that "anti-imperialist groups" consider the VVAW a potent organization of similar stature in the U. S. In April, 1973, the group changed their name to VVAW/WSO so that non-veterans could become members. Current VVAW/WSO national officers are Marxist-Leninist oriented and strive to educate their membership in Marxist-Leninist doctrine.

b2  
b7D

On November 6, 1973, [REDACTED] advised that in August, 1972, during the course of a meeting on the NMSU Campus of McGovern for President supporters, the subject announced that he was attempting to organize a VVAW/WSO Chapter at NMSU. [REDACTED] advised that the subject's efforts to organize a VVAW/WSO group attracted no attention at NMSU due largely to the end of the war in South Vietnam and because of general lack of interest on the part of the student body.

[REDACTED] b7C

This source also advised that the VVAW/WSO has never conducted any activity at NMSU, had never requested recognition as a chartered campus organization from the University, and had received no support from the VVAW/WSO group in Albuquerque.

On May 16, 1974, [REDACTED] advised that there had been no VVAW/WSO activity at NMSU during either the 1972-1973 or the 1973-1974 academic years and that for all practical purposes the group had gone out of existence.

A preliminary inquiry was initiated concerning [REDACTED] for the purpose of determining if he is a leader or activist of the Vietnam Veterans Against the War/Winter Soldier Organization, activities of which could involve violations of Title 18, United States Code, Sections 2383 (Rebellion or Insurrection), 2384 (Seditious Conspiracy), 2385 (Advocating Overthrow of the Government), 2387 (Sedition), 793 (Espionage), 244 (Explosives and Incendiary Devices), 2155-56 (Sabotage), and 2101 (Antiriot Laws).

The Vietnam Veterans Against the War (VVAW) was formed in 1967 as an organization of Vietnam veterans to protest American involvement in the war in Southeast Asia. Since that time VVAW leaders have told members the VVAW is a revolutionary group, not "just another group of war veterans." Also, the membership has been told the VVAW has been asked to cooperate on an international level with many organizations, including communist and Maoist groups. Additionally, it was

indicated that "anti-imperialist groups" consider the VVAW a potent organization of similar stature in the United States. In April 1973, the group changed their name to Vietnam Veterans Against the War/Winter Soldier Organization (VVAW/WSO) so that nonveterans could become members. Current VVAW/WSO national officers are Marxist-Leninist oriented and strive to educate their membership in Marxist-Leninist doctrine.

PAGE FOUR (100-58125) ~~CONFIDENTIAL~~

HOWEVER, OTHER ORGANIZATIONS HAVE FLEDGED NATIONAL SUPPORT FOR THE DEMONSTRATION AND PLAN TO SEND REPRESENTATIVES TO THE DEMONSTRATION. THE GROUPS INCLUDE THE REVOLUTIONARY UNION, THE ATTICA BRIGADE. (X)

THE SAME SOURCE ADVISED THAT THE THEMES OF THE DEMONSTRATION ARE TO BE AS FOLLOWS:

1. UNIVERSAL AND UNCONDITIONAL AMNESTY FOR ALL DRAFT DODGERS AND DESERTERS;
2. END ALL SUPPORT TO THIEU AND LON NOLL REGIMES IN SOUTH-EAST ASIA;
3. DECENT BENEFITS FOR ALL VETERANS;
4. FULL EMPLOYMENT AND EDUCATION FOR ALL VETERANS;
5. "KICK NIXON OUT".

THE SAME SOURCE ADVISED ON JUNE 6, 1974, THAT THE NATIONAL OFFICE OF THE VVAV/WSO IN REALITY HOPES TO HAVE ABOUT 800 VVAV/WSO PARTICIPANTS AND AT LEAST 200 PARTICIPANTS FROM OTHER ORGANIZATIONS. (X)  
END PAGE FOUR

ON JUNE 9, 1974, A SECOND SOURCE WHO HAS FURNISHED RELIABLE INFORMATION IN THE PAST ADVISED THAT MILITANT ACTIONS WILL TAKE PLACE DURING THE VVAM/MSO DEMONSTRATIONS AT WDC DURING THE PERIOD JULY 1-4, 1974. THESE MILITANT ACTIONS ARE TO TAKE PLACE AT THE VETERANS ADMINISTRATION, THE JUSTICE DEPARTMENT, WHITE HOUSE, THE PENTAGON, CAPITOL HILL, AND THE COURT OF MILITARY APPEALS. HOWEVER, NO ADDITIONAL DETAILS ARE KNOWN BY THE SOURCE OF THE ACTIONS. AT LEAST ONE VVAM/MSO CHAPTER IS MAKING PLANS TO TAKE MEDICAL SUPPLIES TO WDC FOR THE DEMONSTRATION. (X)

THE SECOND SOURCE ALSO ADVISED ON JUNE 9, 1974, THAT PARTICIPANTS WILL BE REQUIRED TO REMAIN WITH THEIR VVAM/MSO REGIONAL GROUP. EACH REGION WILL BE RESPONSIBLE FOR ITS MEMBERS, INCLUDING PROVIDING FOR THEIR OWN INTERNAL AFFAIRS, KEEPING THEIR MEMBERS IN LINE, AND DEALING WITH SECURITY PROBLEMS. (X)

ON JUNE 24, 1974, THE SAME REPRESENTATIVE OF THE NATIONAL CAPITAL PARKS MADE AVAILABLE A COPY OF A PERMIT APPLICATION FOR A PUBLIC GATHERING FILED JUNE 20, 1974, BY THE SECOND AMERICAN BONUS MARCH COALITION, 1210 VERMONT AVENUE, N.W., WDC. THE

APPLICATION REFLECTS THAT THE COALITION IS MADE UP OF THE FOLLOWING GROUPS AND SPONSORS: AMERICAN VETERANS MOVEMENT (AVM), THE AMERICAN G.I. FORUM (AGIF), AND THE NATIONAL ASSOCIATION OF PUERTO RICAN CIVIL RIGHTS (NAPRC), RON KOVIC, TOM CALDRONE, AND ANGEL ALMEDINA. THE APPLICATION REFLECTS THAT THE COALITION PLANS TO GATHER AT MALCOLM X PARK AT 9:00 A.M. ON JULY 3, 1974, AND UTILIZE THE PARK AREA UNTIL 9:30 P.M. ON JULY 4, 1974. THE GROUP ALSO PLANS TO MARCH DOWN 15TH STREET TO LAFAYETTE PARK ON JULY 4, 1974. HOWEVER, THE TIME OF THE MARCH IS NOT SHOWN ON THE APPLICATION. THE APPLICATION WAS FILED BY JEROME LATSKO, SECURITY DIRECTOR FOR THE AVM.

ON APRIL 29, 1974, A THIRD SOURCE, WHO HAS FURNISHED RELIABLE INFORMATION IN THE PAST, ADVISED THAT AVM EXPECTS THAT 100,000 VETERANS WILL BE IN ATTENDANCE AT THE DEMONSTRATION AT WDC BEING SPONSORED BY AVM. ~~TO~~

ON MAY 12, 1974, THE THIRD SOURCE WAS ADVISED THAT THE AVM PLANS A SIT-DOWN OF 100 AVM MEMBERS AND SUPPORTERS ON THE STEPS OF THE U.S. CAPITOL ON THE FIRST DAY OF THE AVM DEMONSTRATION. THE AVM HOPES TO HAVE THE GROUP ARRESTED IN ORDER TO HAVE CONGRESSIONAL REPRESENTATIVES AGREE TO TALK TO THE AVM ABOUT VETERANS

BENEFIT BILLS IN CONGRESS. AVM ALSO PLANS TO HAVE 200 PERSONS ARRESTED ON THE SECOND DAY OF THE DEMONSTRATION AND TO ADD 100 MORE PERSONS TO THE ARRESTS TOTALS EACH DAY OF THE DEMONSTRATION. HOWEVER, THERE HAS BEEN NO ADDITIONAL INFORMATION REGARDING THE PLANS OF THE AVM TO HAVE AVM MEMBERS ARRESTED ON THE CAPITOL STEPS. (X)

ON JUNE 3, 1974, THE THIRD SOURCE WAS ADVISED THAT AVM EXPECTED TO HAVE SUPPORTERS AND MEMBERS ARRIVE AT WDC ON JULY 4, 1974, AND AT THAT TIME THEY WOULD HAVE CLOSED-DOOR MEETINGS TO PLAN THEIR STRATEGY. SECONDLY, AVM MEMBERS ARE TO MEET AT LAFAYETTE PARK FOR A DEMONSTRATION AND AFTWARDS MOVE TO THE MALL AREA AND SET UP CAMPING TENTS IN THE VICINITY OF THE OLD "RESURRECTION CITY". THE AVM GROUP WOULD THEN REMAIN ON THE MALL AREA AFTER JULY 4, 1974 UNTIL THEY OBTAINED THEIR DEMANDS FOR BETTER VETERANS' RIGHTS. (X)

ON JUNE 27, 1974, A FOURTH SOURCE WHO HAS FURNISHED RELIABLE INFORMATION IN THE PAST ADVISED THAT AVM WILL HOLD A DEMONSTRATION ON JULY 4, 1974. THE GROUP WILL ASSEMBLE IN MALCOLM X PARK AND CONDUCT A MARCH TO LAFAYETTE PARK AND WILL HAVE 100 VETERANS IN WHEELCHAIRS AS LEADERS OF THE MARCH. AT LAFAYETTE PARK AVM WILL

SET UP TENTS AND SHACKS WHERE THEY WILL REMAIN UNTIL THEIR DEMANDS ARE MET. AVM CURRENTLY EXPECTS 1,000 PARTICIPANTS FOR THE JULY 4, 1974, DEMONSTRATION. (C)

FROM THE INFORMATION AVAILABLE AT PRESENT TIME, IT APPEARS THAT AVM PLANS TO START THEIR ACTIONS ON JULY 3, 1974, AT MALCOLM X PARK WITH THE REGISTRATION OF AVM MEMBERS AND SUPPORTERS. THE AVM DEMONSTRATION WILL COMMENCE ON JULY 4, 1974, WITH THE MARCH TO LAFAYETTE PARK. JULY 4, 1974, WILL BE THE FIRST DAY OF DEMONSTRATIONS FOR AVM AND IT APPEARS THAT IT IS ALSO THE DAY PLANNED FOR THE 100 PERSONS TO BE ARRESTED ON THE CAPITOL STEPS. HOWEVER, ON JUNE 25, 1974, A REPRESENTATIVE OF THE U.S. CAPITOL POLICE ADVISED THAT THE HOUSE OF REPRESENTATIVES AND THE SENATE WILL NOT BE IN SESSION DURING THE WEEK OF JULY 1-5, 1974, AND THAT THE MAJORITY OF SENATORS AND CONGRESSMEN SHOULD HAVE LEFT WDC BY JUNE 28, 1974.

ON JUNE 21, 1974, A FIFTH SOURCE ADVISED THAT AVM HAD PLANNED TO RENT A TRAIN TO LEAVE CALIFORNIA FOR THE TRIP TO WDC GATHERING SUPPORTERS EN ROUTE. HOWEVER, DUE TO THE LACK OF SUPPORT, AVM DID NOT RENT A TRAIN AND A GROUP OF ABOUT 100 PERSONS FORMED A CAR CONVOY TO MAKE THE TRIP TO WDC. (C)

THE VVAV WAS FORMED IN 1967 AS AN ORGANIZATION OF VIETNAM VETERANS TO PROTEST AMERICAN INVOLVEMENT IN THE WAR IN SOUTH-EAST ASIA. IN APRIL, 1973, THE GROUP CHANGED THEIR NAME TO VVAV/NSO SO THAT NON-VETERANS COULD BECOME MEMBERS. CURRENT VVAV/NSO NATIONAL OFFICERS ARE MARXIST-LENINIST ORIENTED AND STRIVE TO EDUCATE THEIR MEMBERSHIP IN MARXIST-LENINIST DOCTRINE.

THE ATTICA BRIGADE IS A STUDENT BASED ORGANIZATION FOUNDED IN NEW YORK CITY IN THE FALL OF 1971.
