DEMONSTRATION AT NAVAL RESERVE TRAINING CENTER, FORT HALE PARK, NEW HAVEN, CONNECTICUT, BY VIETNAM VETERANS AGAINST THE WAR (VVAW)

On April 15, 1972, a source who has furnished reliable information in the past, advised that a demonstration protesting the war in Vietnam was held on the New Haven Green on April 15, 1972 and was sponsored by the Connecticut Chapters of the National Peace Action Coalition, VVAW, and Student Mobilization Committee.

The National Peace Action Coalition was founded in 1970 by members of the Socialist Workers Party (SWP). Its basic objective is to unite masses of people including labor unions, GIs, and the black community in the struggle to end United States intervention in Southeast Asia through orderly and peaceful tactics. The SWP has been designated pursuant to Executive Order 10450.

The Vietnam Veterans Against the War (VVAW) was founded in the Spring of 1967 by six young Vietnam veterans in New York City. At the beginning of 1968, with 600 members, VVAW opened a national office, founded the first GI newspaper "Vietnam GI", and sent close to 500 veterans into the McCarthy campaign to beat down the

Members of the VVAW led student strikes on major campuses across the country and battled Veterans Administration Hospital authorities over threats to throw amputee Vietnam veterans out for signing anti-war petitions. At present, membership of the VVAW nationally, consists of 8,500 members.

The Student Mobilization Committee is characterized in the Appendix.

Source advised that inclement weather resulted in a small turnout of about 150 to 200 at the demonstration. Throughout the day, anti-war teach-ins were held in the Yale University Law School, New Haven and when word was received that the United States had increased bombings in Vietnam, the VVAW

The above mentioned source advised the New Haven Office of the FBI of the group's intentions and such information was relayed to the New Haven Police Department, who dispatched patrol cars to the scene and arrested ten individuals who had climbed an eight foot barbed wire fence bordering the Naval Reserve property. APPENDIX

STUDENT MOBILIZATION COMMITTEE, aka  
Student Mobilization Committee to End  
the War in Vietnam; National Student  
Mobilization Committee

A source advised on May 16, 1969, that the Student Mobilization Committee (SMC) originally grew out of the National Student Strike for Peace Conference held in Chicago, Illinois, on December 28-29, 1966, which resulted in a call for massive anti-war demonstrations in New York City and San Francisco, California, on April 15, 1967. The National Student Strike for Peace Conference was originally called by the Communist Party (CP) and the Socialist Workers Party (SWP), culminating in a takeover by the SWP element in the Summer of 1968 and the CP element withdrawing. Source further advised that the SMC locally and nationally is controlled by the SWP and its youth arm, the Young Socialist Alliance (YSA), as evidenced by the YSA leadership and participation in SMC activities.

The SWP has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

A report of the Committee on Un-American Activities, House of Representatives, Ninetieth Congress, First Session, dated March 31, 1967, entitled "Communist Origin and Manipulation of Vietnam War (April 8-15, 1967)," on page 53, states in part, "Communists are playing dominant roles in both the Student Mobilization Committee and the Spring Mobilization Committee."

A second source advised on November 16, 1970, that the New York Regional Office of the SMC was located at 15 East 17th Street, Second Floor, New York, New York, where "The Student Mobilizer" is published. "The Student Mobilizer" is self-described as being published by the National Office of the Student Mobilization Committee to End the War in Vietnam. Source stated that the program of the SMC continues as follows: immediate and unconditional withdrawal of all United States Troops from Vietnam, an end to draft, an end to all forms of campus complicity with the war in Vietnam, self-determination for Vietnam and black America, and Constitutional rights for GIs and high school students.

A third source advised on February 16, 1971, that as of that date the National Office of the SMC was located at 1029 Vermont Ave., N.W., Eighth Floor, Washington, D. C. 20005.

YOUNG SOCIALIST ALLIANCE

The May, 1960, issue of the "Young Socialist" (YS), Page 1, Column 3, disclosed that during April 15-17, 1960, a national organization entitled, "The Young Socialist Alliance" (YSA) was established at Philadelphia, Pennsylvania. This issue stated that this organization was formed by the nationwide supporter clubs of the publication YS.

The above issue, page 6, set forth the Founding Declaration of the YSA. This declaration stated that the YSA recognizes the Socialist Workers Party (SWP) as the only existing political leadership on class struggle principles, and that the supporters of the YS have come into basic political solidarity with the SWP on the principles of revolutionary socialism.

On March 10, 1967, a source advised that the YSA was formed during 1957, by youth of various left socialist tendencies, particularly members and followers of the SWP. The source further advised that the YSA has recently become more open about admitting that it is the youth group of the SWP and that an SWP representative has publicly stated that the YSA is the SWP's youth group.

The National Headquarters of the YSA are located in Room 533-5341 Union Square West, New York City.

On October 31, 1967, a second source advised that at the 22nd National Convention of the SWP held in New York City from October 26, 1967, to October 29, 1967, it was stated that the YSA remains as the main recruiting ground for new SWP members.

The SWP has been designated pursuant to Executive Order 10450.

INFORMATIVE NOTE

Members of Vietnam Veterans Against the War (VVAW) have been conducting demonstrations on the steps of the U.S. Capitol, Washington, D.C., this past week protesting the recent escalation of the war in South Vietnam. The turnout of members of the VVAW for the demonstration has been disappointing to officials of that organization.

Attached states the National office of VVAW has called upon their chapters in the Eastern part of the U.S. to attempt to swell the number of demonstrators in Washington, D.C., to about 1,000. The National office is highly critical of the membership of their chapter in Washington, D.C., because of their pacifist nature. A newly-elected officer of the VVAW reportedly came to Washington, D.C., on 4-18-72 to step up activities in WDC. The increased activity is to include a march to Arlington Cemetery on 4-22-72, seizure of the Mall at the Capitol and demonstrations in the U.S. Information Agency and Space Museums.

Copy of attached sent Internal Security Division. Pertinent parts will be included in summary to White House, Vice President, Acting Attorney General, Defense Intelligence Agency and Secret Service. Washington Field Office instructed to advise ABK:lrs Metropolitan Police Department.

Vietnam Veterans Against The War

The Vietnam Veterans Against The War (VVAW) is a national veterans organization with a National Clearinghouse located at 25 West 26th Street, New York City (NYC). Its first published objective is "to demand an immediate cessation of fighting and a withdrawal of all American troops from Indochina".

On March 24, 1972, a confidential source, who has furnished reliable information in the past, furnished the following information concerning activities at the National Clearinghouse of the VVAW in NYC during March, 1972.

The VVAW no longer has a National Office or a National Executive Committee. The fourth floor at 25 West 26th Street, NYC, which formerly housed the National Office and the office of the New York Region currently is used as the office of the National Clearinghouse and the New York Region.

The National Clearinghouse was created at the National Steering Committee meeting in Denver, Colorado, during February 18-21, 1972, and its functions are to publish the VVAW paper, "First Casualty" and a VVAW newsletter.

The following individuals are currently operating the National Clearinghouse of the VVAW:

NEWSLETTER of March 14, 1972

1. From Wisconsin. The Wisconsin Region hereby proposes: 1) That a National Speakers Bureau be set up for fund-raising and publicity. This will enable the former New York Office personnel, (i.e. Al Hubbard, Joe Urge, Larry Rottman, Jon Biren, and others who qualify), to continue their travelling and speaking activities for VVAW. In this way, the Clearinghouse will easily be able to set Gates, so they aren't confused--and the people who ask for specific speakers by name, can get what they expect. 2) That the objectives be changed to include the two new objectives proposed by the WashColoOrg Regions: 'To show Americans that their society is structured by a sexism which promotes inferior status upon women, reducing them to subservient sexual objects of men. This institutionalized sexism channels women into unfulfilling, lower paying jobs which are servile in nature and purpose; it exploits their bodies for sex and profit and it degrades and dehumanizes them by a double standard wholly dependent on the myth of male supremacy. This sexism is explicitly exploited by the military, officially defining servicewomen as subordinate and thoroughly subjugating them to nothing more than sexual objects.' and 'To demand there be no distinctions as to types of discharges and that a single type of discharge be issued, and that this be retroactive. We also demand all veterans receive all rights and benefits under the VA; and compensation for disabilities be based solely on the degrees of disability for veterans and their families, whether or not service connected, and without regard to sex, race, rank, or length of service.' The Wisconsin region also wants to add: 'That we must work to educate the American people about the horrors of the Automated Battlefield, due to the complexion of the war in Indochina.' \*Clearinghouse note: The objectives quoted above are from Washington-California-Oregon, and not Colorado.

2. From Washington State. In the planning stages still is an action to be sponsored by VVAW Washington-Alaska in Vancouver, British Columbia. According to Mike Dedrick, "It would revolve around re-patriation and would involve probably guerrilla theatre, speaking, film showing, and a conference, at which we could issue a joint statement on so-called 'amnesty'". It is expected that conscientious objectors who have served their two years alternative service and draft resisters who fled into exile will join our brothers in Vancouver.

3. From New York: Ed Damato proposes that regions not able to submit their proposals in time for the three-week deadline prior to the Houston steering committee meeting should submit a copy of each proposal to each regional coordinator on the first day of the meeting.

4. From Florida: Scott Camil will be going on trial soon and will need all the financial help we can give him. One way in which he can raise money is by speaking. If you can book an engagement for him at a local college or organization contact the National Clearinghouse or Scott.

5. From Indiana. There will be an action at Terre Haute, Indiana in which VVAW will participate. It will start at Indiana State University at 8 AM, April 7 and go to the CRANE Depot. At CRANE, a rally will be held and testimonies on the air war will be given. For further information call Rich Beğard, 232-6311 ext. 2804, or 235-7151.

6. From Louisiana. It is suggested that all regions nominating delegates to Hanoi send to the Clearinghouse as soon as possible, the names and brief biography of each nominee. Include in the nominations their language capabilities and fluency, travels, present profession, units and areas served in Vietnam, etc.

7. From Eastern Pennsylvania. The brothers who took over the Betsy Ross House during "Operation: Peace on Earth" have had their trials. Five were fined \$10.00 each, and the charges on the remaining 20 were dropped.

8. From 1st Casualty Press. Larry Rottman says that the first volume of WINNING HEARTS AND MINDS will be available April 5, 1972 to VVAW members at a special rate of \$1.25 per copy. Attached is an order form for your region.

9. From National Clearinghouse. Michael McCain left for his trial in Los Angeles on March 12. He has with him a copy of the film DEWEY CANYON III and numerous material pertaining to VVAW. He is available for speaking upon request from regional coordinators. His itinerary is: March 12-16 Los Angeles (213) 984-0804/787-7385/785-3527

17-19 Santa Barbara

20-27 Hitch-hiking through Arizona, New Mexico, Texas, Oklahoma, Arkansas, Tennessee, Kentucky, Ohio, Pennsylvania, and New Jersey, back to New York

10. From NARMIC. The NARMIC Automated Air War Slide Show is available to regional coordinators for \$25.00, according to Marilyn McNabb of NARMIC. The blank form is for your use.

11. From the Farm Workers. The farmworkers are in serious trouble. They've asked for our help. The enclosed letter should explain what is happening. If the government is successful in stopping the farmworkers then they will move on to different areas. Try to get this information to all members soon because the deadline for the appeal of the ruling is April 6.

12. From the VA. Here is a telegram sent by the VA to all VA hospitals on September 24, 1971. "DM&S CIRCULAR 10-71-221. ADMISSION FOR TREATMENT OF DRUG DEPENDENCE THE PURPOSE OF THIS CIRCULAR IS TO RE-EMPHASIZE THAT ALL ELIGIBLE APPLICANTS FOR HOSPITALIZATION BECAUSE OF DRUG DEPENDENCE WILL BE CLASSIFIED AS MEDICAL EMERGENCIES AND ADMITTED AT ONCE. NON AVAILABILITY OF A SUITABLE BED IS NOT AN ACCEPTABLE REASON FOR REFUSING ADMISSION. ELIGIBLE APPLICANTS WHO INQUIRE ABOUT TREATMENT FOR DRUG DEPENDENCE WILL BE ENCOURAGED TO ACCEPT HOSPITALIZATION. IF A PATIENT, AFTER ADMISSION, REQUIRES SERVICES NOT AVAILABLE AT THE ADMITTING STATION, PROMPT ARRANGEMENTS WILL BE MADE FOR TRANSFER TO A VA STATION WHICH CAN PROVIDE THE NEEDED CARE. ANY DIFFICULTY IN EFFECTING TRANSFER WILL BE REPORTED TO THE APPROPRIATE REGIONAL MEDICAL DIRECTOR BY TELEPHONE. USUAL ASMRO PROCEDURES REMAIN IN EFFECT. THIS CIRCULAR EXPIRES SEPTEMBER 24, 1972."

13. From Italy. The G.I. movement in the Italian Army is growing. They face the same oppression that G.I.s around the world face. The present trend is towards coffeehouses similar to those organized in this country several years ago.

14. From U.S. Army Intelligence Command. On April 23, 1969, the U.S. Army Intelligence Command at Fort Holabird, Md., issued a secret "Information Collection Plan", directing agents from 300 MI offices in the U.S. to intensify surveillance of civilian activity. Agents were specifically ordered to place under surveillance all strikes and labor disputes, all antiwar and antidraft activities, all demonstrations, rallies, parades, marches, conventions, conferences and picketing activities. Extensive photo-coverage of all activities, including the use of telephoto lens, will be made. Identification are to be made of all personalities involved, or expected to become involved in protest activities and to obtain information on the extent of overt and/or covert financing. The reports must include the identification of participating organizations, number of people each can mobilize, details concerning transportation arrangements and housing facilities for non-local visiting demonstrators, any indication of foreign influence, and any extremist whose background indicated military training in guerrilla warfare, counterinsurgency or use of explosives and demolitions. This document is available at the U.S. Army Investigative Records Repository or at your local underground newspaper.

[redacted] that the VVAW would attempt to organize a march and peaceful takeover of the Kansas state capitol, Topeka, Kansas, and would also attempt to march on the Governor under the leadership of [redacted] that the march and peaceful takeover would take place at the Forbes Air Force Base in Topeka, Kansas.

The VVAW was founded in the spring of 1967 by six young Vietnam veterans in New York City. At the beginning of 1968, with 600 members, VVAW opened a national office, founded the first GI newspaper, "Vietnam GI", and sent close to 500 veterans into the McCarthy campaign to beat down the red baiters. After getting gassed at the Democratic convention at Chicago and caught in the general "down" of the peace movement, VVAW was nearly inactive until the moratoriums in the fall of 1969. Members of VVAW led student strikes on major campuses across the country and battled Veterans Administration Hospital authorities over threats to throw amputee Vietnam veterans out for signing anti-war petitions. At present, membership of the VVAW, nationally, consists of 8,500 members.

[Large redacted block]

The Vietnam Veterans Against the War (VVAW) was founded in the Spring of 1967 by six young Vietnam veterans in New York City. At the beginning of 1968, with 600 members, VVAW opened a national office, founded the first GI newspaper "Vietnam GI", and sent close to 500 veterans into the MC CARTHY campaign to beat down the red baiters. After getting gassed at the Democratic Convention in Chicago and caught in the general "down" of the peace movement, VVAW was nearly inactive until the moratoriums in the Fall of 1969. Members of the VVAW led student strikes on major campuses across the country and battled Veterans Administration Hospital authorities over threats to throw amputee Vietnam veterans out for signing anti-war petitions. At present, membership of the VVAW nationally, consists of 8,500 members.

The Black Panther Party (BPP) is a black extremist organization started in Oakland, California, in December, 1966. It advocates the use of guns and guerrilla tactics to bring about the overthrow of the United States Government.

Richard Bangert was chosen as the second alternate for the trip to North Vietnam.

Discussions regarding the upcoming political convention in San Diego, California, will be preceded by a caravan across the United States which will grow as it approaches San Diego. St. Louis is one of the cities chosen where the caravan will stop to pick up people.

It was said that while in North Vietnam VVAW representative, Al Hubbard, had an opportunity to travel and was almost to the DMZ zone on several occasions.

North Vietnamese representatives were reportedly very favorably impressed with the VVAW organization and the VVAW representatives were told that any time a group from the United States came to North Vietnam, VVAW could include a member as long as that individual would adhere to the political ideology of the Vietcong.

It was said that the upcoming trip to North Vietnam will place its emphasis on "Third World People".

IS - NEW LEFT  
(OO: NEW YORK)

Re Tampa letter, 11/30/71.

There has been no Vietnam Veterans Against the War (VVAW) Chapter formed in Tampa, Florida. Chapters were formed in Clearwater and St. Petersburg, Florida, on the respective campuses of St. Petersburg Junior College (SPJC), and information concerning these chapters will be furnished to the Bureau under their separate titles.

No one from the Tampa Division is known to have attended the VVAW National Steering Committee meeting in Denver, Colorado, 2/18 - 21/72.

Tampa sources familiar with the New Left groups have advised they knew of no VVAW Chapter in Tampa.

Inasmuch as there does not appear to be any VVAW activity in Tampa at this time, this case is being placed in a closed status.
