VIETNAM VETERANS AGAINST THE WAR (VVAW)
INTERNAL SECURITY - NEW LEFT

ALL INFORMATION CONTAINED
HEREIN IS UNCLASSIFIED
DATE 1-31-94 BY 9803 [redacted] b7c

The VVAW was founded in the Spring of 1967 by six young Vietnam veterans in New York City. At the beginning of 1968, with 600 members, VVAW opened a national office, founded the first GI newspaper "Vietnam GI", and sent close to 500 veterans into the McCarthy campaign to beat down the red baiters. After getting gassed at the Democratic Convention in Chicago and caught in the general "down" of the peace movement, VVAW was nearly inactive until the moratoriums in the Fall of 1969. Members of the VVAW led student strikes on major campuses across the country and battled Veterans Administration Hospital authorities over threats to throw amputee Vietnam veterans out for signing anti-war petitions. At present, membership of the VVAW nationally, consists of 8,500 members.

"The Gamecock," a University of South Carolina student newspaper, which is published tri-weekly during the fall and spring semesters at Columbia, South Carolina, in its issue of April 14, 1972, on Page 6, contained an article entitled, "Protestors Not All Vets," and accompanying photograph, which read as follows:

"Their signs said they were Vietnam Veterans against the war, but only six of the 13 demonstrators that staged a small protest yesterday were veterans.

"They wore army fatigues and their faces were painted black and white. Their faces and arms were streaked with blood from the calves' hearts and livers that they carried to 'symbolize the death in Indochina.'

"Phil Sharpe, a nonveteran organizer of the march, said the group was not trying to cause trouble but to let ROTC students know 'what is going on over there.' He admitted that only six of the demonstrators are veterans.

"The protestors joined the Naval ROTC parade on Bull Street at 3:45 p.m. Thursday and led the procession to the intramural field on Marion Street. They then marched back to campus and continued the demonstration around the Russell House and Horseshoe areas.

"They carried signs that said 'Is There Blood on Your Hands?' and 'There Is No 'Way to Peace' - Peace Is The Only Way.' One protestor told bystanders 'This is only the lung of a calf but 300 Vietnamese have been killed today.' A bystander commented, 'Yeah, ain't that a shame.'

"Explaining the reason for the protest, Peter Brown, a participant in the protest, said, 'ROTC is a very integral part of the University; the research institutions and the individuals who are developing the machinery which is carrying on the slaughter are developed, financed, and endorsed by the University.'

"For the people who say that we should let ROTC do their own thing, does it also mean that Ft. Jackson has every right to be in Columbia or that the Navy has every right to be in the Tonkin Gulf and the CIA in Laos?' Brown said. 'We say it's not someone's right to be trained in newer and better ways to murder people.'

"Lou Anne McMullan, a freshman in Air Force ROTC, said of the demonstration, 'The new guys (ROTC cadets) are trying to bring about an end to the war. A lot of people in the Air Force aren't that keen on the war.' She added, 'It seems that technology has gotten ahead of our maturity.'

"Sarah Hendrick, also in AFROTC, said she thought the demonstration was 'good for freedom of expression.'

"Vets know what is going on, but those that aren't veterans shouldn't participate in demonstrations against the war,' she said. 'None of our guys are in the military to become killers. They look on it as another job, although it can be a very distasteful one.'

"T. A. Smith-Rolle, a Vietnam veteran, commented, 'It's highly significant that there were only 15 people demonstrating and that they made such a small impact on the general activities of the students.' Of the participants, he said, 'If they contacted the public in a more presentable manner, they would receive more support.'"

DEMONSTRATION AT SIKORSKY AIRCRAFT

[REDACTED] New Haven, Connecticut, b7c

The demonstrators who were arrested peacefully submitted to arrest and allowed themselves to be carried to waiting police vans. u

Once the arrested demonstrators had been brought to police headquarters they were peaceful and orderly. No problem was incurred during the booking process. Prior to the time that the 71 demonstrators blocked the main gate at Sikorsky Aircraft, several speakers commented that the State of Connecticut and Sikorsky Aircraft in particular, was geared to war economy. u

Immediately prior to the blocking of the main gate of Sikorsky Aircraft the demonstrators collectively read what they described as a Citizens Arrest warrant which had been issued for the arrest of WELLSLEY A. KUERT, president of Sikorsky Aircraft and WILLIAM P. QWINN, chairman of the Board of United Aircraft Corporation of which Sikorsky Aircraft is a part. After reading the warrant, the demonstrators demanded that KUERT and QWINN surrender themselves to the demonstrators. u

On January 20, 1972, WILLIAM TROLAND, Chief of Police, Stratford, Connecticut, made available a Xerox copy of the Citizens Arrest warrant which had been obtained by the Stratford, Connecticut Police Department. This warrant read as follows: u

We are Staging A

CITIZENS ARREST

ON BEHALF OF THE MEN AND WOMEN WHO WORK AT SIKORSKY DIVISION OF UNITED AIRCRAFT, THE PEOPLE OF THE STATE OF CONNECTICUT, THE CITIZENS OF THESE UNITED STATES OF AMERICA, AND THE PEOPLE OF INDOCHINA, AND IN THE GENERAL WELFARE OF THE PEOPLE OF THE WORLD. u

Domestic Intelligence Division

INFORMATIVE NOTE

SUMMARY Date 4-20-72

Attached concerns the demonstration being sponsored by members of the Vietnam Veterans Against the War (VVAW) on the steps of the U. S. Capitol the past several days. Present members continue to be discouraged with the small number of Veterans responding to the demonstration but expect an influx of a large number on Saturday, 4-22-72. In addition, members of the VVAW have been staying at a church at Ninth Street and Maryland Avenue, N.E., Washington, D.C., and have been requested to leave. They have been having a problem with drifters and run-away children staying at the church. Three of their members were arrested in front of the church on 4-18-72, for drinking.

Copy of attached sent Internal Security Division. Pertinent parts will be included in summary to White House, Vice President, Acting Attorney General, Defense Intelligence Agency and Secret Service.

Violence Section - Against the Will

Enclosed for the Bureau are 2 photographs of subject taken February 1972, and 5 copies of LHM dated and captioned as above.

Memphis will not interview subject at this time. Informant coverage at Memphis of the VVAW is adequate and subject's activities have been limited to only the VVAW. Subject has shown no propensity for violence and has committed no overt acts which would indicate a future use of violence. YWLL influence of the VVAW at Memphis is presently nonexistent, and Memphis feels that an interview of the subject at this time with his limited involvement in only the VVAW could prove embarrassing. In view of subject's limited activities, this case is being closed subject to reopening in the event he becomes active in other New Left activities.

ReBulet to SAC, Albany, with copies to all offices
dated 2-3-71.

ReBulet instructed all recipients to promptly initiate preliminary survey to determine existence of VVAW in all field office territories and to identify leaders and develop activities of the organization in order to evaluate VVAW potential for engaging in disruptive acts and/or violence. Since that time, VVAW activities have demonstrated clear trend toward militancy and possible violence.

[REDACTED]

During 12-71 VVAW members illegally occupied Status of Liberty, New York City; Betsy Ross House, Philadelphia; and "surrounded" Lyndon Baines Johnson Library, Austin, and Lincoln Memorial, Washington, D. C. In addition, at Hubbard, VVAW leaders traveled to North Vietnam during last year and reportedly paved the way for VVAW delegation to travel to Hanoi and meet with North Vietnamese officials. During 5-72 operations are planned in VVAW territories including the following: [REDACTED]

RE: Vietnam Veterans Against the War (VVAW)

100-448092

In view of increasing militancy of VVAW with potential for serious future violence or disruptions, there is definite need for updated survey by all offices to determine actual scope of current VVAW activities and membership and our capabilities for coverage of VVAW activities.

Each recipient is instructed to promptly initiate survey to determine the following:

1. Locations of all VVAW chapters in your division. (Hereafter, individual cases should be opened on each separate chapter and LHM submitted promptly reporting results of investigation.)

2. Names of all known VVAW members in your division and brief statement as to whether investigation is being or has been conducted regarding each, whether individual is included on or being recommended for ADEX, and, if known, whether each is bona fide Vietnam veteran and if he has received specialized military training in explosives or to develop other skills useful in urban guerrilla warfare or violent revolutionary activities.

3. Extent of live informant coverage currently available for each chapter, including listing of specific informants targeted and brief statement as to efforts underway to augment informant coverage.

Each recipient submit responses to above with appropriate subheading and in the same order as above by airtel to reach Bureau by 5-30-72.

SUBJECT: VIETNAM VETERANS AGAINST THE WAR (VVAW) IS - REVOLUTIONARY ACTIVITIES

PURPOSE:

To furnish results of emergency VVAW meeting held in Boston on evening of 4/26/72.

BACKGROUND:

Information was earlier developed that VVAW would hold a significant meeting in Boston evening of 4/28/72 and that some members of the VVAW national headquarters in New York would be in attendance. Boston had informants in attendance at meeting which took place at Arlington Street Church, Boston, and was attended by approximately 25 individuals.

During meeting Mike McClain of VVAW headquarters advised that no national convention will be conducted by VVAW during Spring of 1972 primarily due to fact that currently there is only \$1,000 in VVAW national treasury. During meeting, VVAW, Boston, agreed to send group of VVAW members to participate with Maine VVAW and picket Maine State Republican Convention, Augusta, 4/28/72. It was noted that Vice President Spiro Agnew is scheduled to appear during this Convention. VVAW, Boston, also agreed to participate in a local action National Day for the Girl, 5/4/72, and in a demonstration in front of the JFK Federal Building, 5/8/72. It was also agreed that on 5/20/72 VVAW, Boston, would participate in Armed Forces Day demonstration at Fort Devens, Massachusetts.

During meeting it was also announced that the Ad Hoc Military Buildup Committee (AHMBC), formed to disseminate military information to anti-war groups, is no longer operating and telephone lines have been disconnected. Current developments regarding AHMBC are being made subject of a separate memorandum.

SUBJECT: VIETNAM VETERANS AGAINST THE WAR (VVAW) INTERNAL SECURITY - REVOLUTIONARY ACTIVITIES

PURPOSE:

Recommends letter to all SACs instructing that updated survey be conducted concerning militant VVAW to determine current size of VVAW and informant coverage available.

BACKGROUND:

As a result of information developed during Summer, 1971 indicating possible infiltration of VVAW by subversive organizations, including Communist Party, USA (CPUSA), and Socialist Workers Party (SWP), letter was sent to all field offices 8-3-71 instructing that preliminary survey be initiated to determine existence of VVAW in all field divisions. Results of that survey developed specific information indicating subversive influence in numerous locations, including Memphis, where VVAW is controlled and dominated by members of Young Workers Liberation League, youth group of CPUSA.

REC-29

100-448092-94

Subsequent activities of VVAW have indicated clear trend toward increased militancy and possible violence. For example, during 11-71 first information was developed during Kansas City Steering Committee meeting of VVAW that

[REDACTED]

Other examples of VVAW militancy include takeover of Betsy Ross House, Philadelphia; takeover of Statue of Liberty, New York City; blockade of Lyndon Baines Johnson Library, Austin; and blockade of Lincoln Memorial, Washington, D.C., all during 12-71.

Memorandum to Mr. E. S. Miller
RE: Vietnam Veterans Against the War (VVAW)
100-448092

b7c b7d

Al Hubbard, VVAW leader, traveled to North Vietnam during late 1971 and has made necessary arrangements for VVAW delegation to travel to Hanoi after 5-1-72 to attempt to effect release of prisoners of war. During 4-72 VVAW, Boston, activated an operation known as Ad Hoc Military Buildup Committee to solicit military information relating to Vietnam war which would, in turn, be disseminated to news media or other unauthorized persons to allegedly show VVAW distaste for Vietnam war.

that presently VVAW has staggering membership of 29,000 located in 283 chapters throughout the U.S.

OBSERVATIONS:

In view of recent demonstrated militancy and tendency toward revolutionary activities by VVAW, it is essential that we are in a position to know expeditiously VVAW's potential for future disruptions and/or violence. Particularly considering VVAW's announced current membership, each field office should promptly update earlier survey conducted to determine, specifically, locations of all present VVAW chapters and names of all known VVAW members, and whether these members are under investigation, are genuinely Vietnam veterans, and have specialized military skills (especially explosives) which would facilitate carrying out revolutionary activities. In addition, careful analysis should be made of current live informant coverage available and efforts made to augment informant coverage wherever possible.

RECOMMENDATION:

That attached letter to all offices be approved and sent to the Mechanical Section.

INFORMATIVE NOTE

Date 4-26-72

Attached relates to Ad Hoc Military Buildup Committee (AHMBC), operation of Veterans Against the War (VAW), Boston, Massachusetts, which involved solicitation of military-type information from antiwar activists, including active duty servicemen at bases worldwide, and then to disseminate information to news media and other unauthorized persons.

Attached relates that as of 4-25-72, AHMBC ceased to operate and disconnected telephone in its office. [redacted] got information from active-duty service who apparently had first furnished it to GI coffee houses and others in GI antiwar movement, who in turn furnished it to AHMBC with actual documents involved. Investigator of House Committee on Internal Security (HCIS) is in Boston to develop public source information relating to AHMBC, but not conducting active investigation.

Above, with exception of administrative information regarding HCIS Investigator, furnished by teletype to President, Vice President, State, CIA, DIA, Army, Navy, Air Force, Secret Service, Acting Attorney General and National Security Agency. Copy also sent Internal Security Division. Although AHMBC allegedly no longer exists, intensive investigation continuing to develop any information warranting prosecutive and espionage violation and you will be kept advised.

SECURITY MATTER - REVOLUTIONARY ACTIVITIES

On December 30, 1971, the subject participated in a demonstration at Park and Tremont Streets, Boston, Massachusetts by the Vietnam Veterans Against the War. u

The Vietnam Veterans Against the War (VVAW) is a veterans' organization with a national office at 25 West 26th Street, New York, New York. Its first published objective is "to demand an immediate cessation of fighting and the withdrawal of all American troops from Indochina." VVAW has participated in several demonstrations including a massive demonstration in Washington, D. C., during the period April 19-23, 1971. u

After the demonstration, 9 members of the VVAW in the company of about 75 of the demonstrators, proceeded to the military recruiting station at Dorchester, Massachusetts, at which time the 9 members entered without force the office of the United States Marine Corps Recruiting Unit and barricaded themselves within. Members of the Boston Police Department arrested the group and charged them with trespassing and malicious damage to property valued over \$25.00. u b7c

PLANNED DEMONSTRATION AT
RICHARDS GEBUR AIR FORCE BASE,
BELTON, MISSOURI
MAY 20, 1972

On April 6, 1972, [redacted] who has furnished reliable information in the past, advised that [redacted]

[redacted] plans were being made to organize a demonstration at Richards Gebur Air Force Base on Armed Forces Day.

The VVAW was founded in the spring of 1967 by six young Vietnam veterans in New York City. At the beginning of 1968, with 600 members, VVAW opened a national office, founded the first GI newspaper, "Vietnam GI", and sent close to 500 veterans into the McCarthy campaigns to beat down the red baiters. After getting gassed at the Democratic convention in Chicago and caught in the general "down" of the peace movement, VVAW was nearly inactive until the moratoriums in the fall of 1969. Members of VVAW led student strikes on major campuses across the country and battled Veterans Administration Hospital authorities over threats to throw amputee Vietnam veterans out for signing anti-war petitions. At present, membership of the VVAW, nationally, consists of 8,500 members. U

(30) individuals identifying themselves as members of the VVAW had entered the training center and approximately twenty (20) of these individuals barricaded themselves in the training center recreation and game room. The remainder of these demonstrators proceeded outside where they began distributing leaflets protesting the United States bombing of North Vietnam. Commander Goodglick immediately confronted those remaining in the training center recreation room and advised them that they were in violation of United States Code, Title 50, Section 797, which prohibits disorderly activity affecting the protection or security of military installations and were instructed then to leave the premises. The group collectively responded their intent to remain in the training center overnight. u

At approximately 5:45 p.m., April 19, 1972, Special Agents of the Federal Bureau of Investigation (FBI) observed orderly picketing by six individuals in front of the United States Naval Training Center and subsequently observed nineteen (19) individuals barricaded in the training center recreation room. u

At 9:43 p.m., April 19, 1972, the demonstrators in the training center repositioned themselves and barricaded themselves in a storage room adjacent to the recreation room. At 10:11 p.m., April 19, 1972, Commander Goodglick specifically requested the assistance of the Los Angeles Police Department to aid in the removal of all barricaded demonstrators. u

At 11:08 p.m., April 19, 1972, Commander Goodglick advised the barricaded demonstrators that they were in violation of Section 602J, California Penal Code, for their occupation of property without consent. These demonstrators were given ten (10) minutes to vacate the training center and at 11:26 p.m. Commander Goodglick assisted by forty (40) Los Angeles Police Department Officers forcibly entered the storage room and arrested fourteen (14) males and five (5) females, for trespassing. u

DEMONSTRATION HELD AT UNITED STATES
NAVAL RESERVE TRAINING CENTER

CALIFORNIA, APRIL 19, 1972

The VB was formed in June, 1969, by a coalition of the New Left organization to encourage American youth to travel to Cuba in defiance of a ban on travel to that Country by the United States Department of State. The ostensible purpose of the travel was to assist the Castro Regime in the harvesting of sugar cane and other agricultural products and to give young Americans the experience of living in a revolutionary Communist country. u

At the peak of this demonstration approximately sixty-five (65) demonstrators outside the training center chanted anti-war slogans. Demonstration concluded at 12:04 a.m., April 20, 1972. The only damage to United States Naval property was that suffered when Los Angeles Police Department forced entry by using an ax on the wood door. u
