VIETNAM VETERANS AGAINST THE WAR (VVAW), IS - REVOLUTIONARY ACTIVITIES.

RETPTEL JULY NINETEEN, LAST.

AS TAMPA AWARE, VVAW REPRESENTS ORGANIZATION WITH CONSIDERABLE POTENTIAL FOR DISRUPTIONS AND VIOLENT CONFRONTATIONS DURING FORTH-COMING REPUBLICAN NATIONAL CONVENTION, MIAMI. IN ADDITION TO DISRUPTIONS DIRECTED TOWARD MIAMI, FACT THAT VVAW MEMBERS HAVE BEEN INDICTED BY FEDERAL GRAND JURY IN TALLAHASSEE PRESENTS POTENTIAL FOR DEMONSTRATIONS AND DISRUPTIONS DIRECTED TOWARD TALLAHASSEE AREA. RECENT COMMUNICATIONS, INCLUDING RETEL, INDICATE THAT VVAW WILL POSSIBLY USE ST. PETERSBURG AREA AND PARTICULARLY CURRENT CAMPSITE IN THAT AREA FOR STAGING DEMONSTRATIONS IN BOTH MIAMI AND TALLAHASSEE. IN VIEW OF INCREASING MILITANCY AND VIOLENCE-PRONE NATURE OF VVAW, IT IS ABSOLUTELY IMPERATIVE THAT ALL POSSIBLE INFORMANT COVERAGE BE TARGETED AGAINST VVAW BY TAMPA DIVISION. VIETNAM VETERANS AGAINST THE WAR (VVAW),  
WILLIAM PATERSON COLLEGE CHAPTER,  
WAYNE, NEW JERSEY

A source who has furnished reliable information in the past advised on August 3, 1971, that [redacted] a student at William Paterson College (WPC), Wayne, New Jersey, was then one of the organizers of the VVAW in New Jersey.

b7c

The purpose of this organization is to serve as a vehicle for its members' concern over American Military Policy and Military presence in the World and opposition to present involvement in the war in Southeast Asia. VVAW is concerned primarily with using the abilities and experiences of its members to educate the public as to the true nature of the war.

A second source, who has furnished reliable information in the past advised on January 21, 1972, that [redacted] a veteran of the United States Armed Forces, is one of the more active and disruptive students on the campus of WPC where he was known to be involved in activities sponsored by the Young Socialist Alliance (YSA) and Student Mobilization Committee (SMC) as well as with VVAW.

As the youth organization of the Socialist Workers Party (SWP), the YSA serves as the main source of recruitment into that organization. The YSA is described in the masthead of its official publication, "The Young Socialist Organizer", as "A multinational revolutionary socialist youth organization."

100-448092-1589

The SWP has been designated pursuant to Executive Order 10450.

The SMC is controlled by the SWP and its youth affiliate, YSA. SMC initiates and supports public demonstrations against the war in South-east Asia.

b7C  
The above second source advised on June 21, 1972, that [redacted] continues to be a leader of the disruptive students on the WPC campus. According to this source, there is no organized chapter of YSA, SMC or VVAW on the campus at the present time, but the various students formerly considered members or active in those organizations, continue to be active in a loose-knit group who are active in voicing complaints concerning various alleged student grievances on the campus as well as anti-war activities.

✓  
A third source who has furnished reliable information in the past, advised on July 13, 1972, that there is no established chapter of VVAW on the campus of WPC, although [redacted] is known to be active in peace activities on campus and has as followers various disruptive students who were connected in the past with SMC, YSA, and Students for a Democratic Society (SDS).

SDS was founded during June, 1962, at Port Huron, Michigan, and in the 1960's functioned as the leading New Left campus-based student organization in the United States. From an initial posture of "participatory democracy," SDS moved to a radical-revolutionary position, with debate centering on how best to create a revolutionary youth movement. Internal factionalism produced a split during the SDS National Convention in June, 1969, which resulted in the following three factions: Weatherman; Worker Student Alliance (WSA); and Revolutionary Youth Movement (RYM). The Weatherman and RYM are no longer affiliated with SDS. The WSA continues to use the name SDS and maintains its national headquarters in Chicago, Illinois.

Weatherman formerly a faction of SDS, controlled the SDS National Office from June, 1969, until its closing in February, 1970. Weatherman then entered an underground status and adopted a tactic of "strategic sabotage," with police and military installations designated as primary targets.

VVAW, WILLIAM PATERSON COLLEGE  
CHAPTER, WAYNE, NEW JERSEY

WSA, a faction of SDS, was expelled from SDS in June, 1969, by the then dominant Weatherman faction, but continued to use the name SDS and opened an office in Cambridge, Massachusetts. WSA aligned ideologically with the Progressive Labor Party (PLP) and, in February, 1971, moved to Chicago, Illinois, where it opened the SDS National Office at 1225 South Wabash Street.

The PLP was founded in 1962 by individuals expelled from the Communist Party, USA, for following the Chinese communist line. Its objective is the establishment of a militant working-class movement based on Marxism-Leninism and MAO Tse-tung thought.

The characterization of the RYM is contained in the appendix attached hereto.

APPENDIX

REVOLUTIONARY YOUTH MOVEMENT

A source advised the the Revolutionary Youth Movement II (RYMII) faction of Students for a Democratic Society (SDS) held a national conference at Atlanta, Georgia, from November 26 to 30, 1969. At this conference it was decided to form a new organization to be known as Revolutionary Youth Movement (RYM) characterized as a mass anti-imperialist youth organization, said organization being proposed as separate and distinct in form and content from SDS. The "Principles of Unity" adopted by the conference included a struggle against white supremacy and male supremacy; fights against imperialism, anticommunism, fascism and oppression of youth; and support of the right of self-determination of all "oppressed nations," also support of the right of all "oppressed and exploited" peoples "to armed self-defense." It was agreed that RYM would not be a Marxist-Leninist organization; however, source said this was decided in order to indicate an organization broad enough in form to be acceptable to everyone. A temporary National Steering Committee (NSC) made up of eight females and two males was elected to govern RYM until national officers could be elected during the Spring of 1970.

RYM publications have listed the RYM National Office (NO) at Post Office Box 5421 and Post Office Box 77012 C, both Atlanta, Georgia, and a second source has advised that the NO has no office space but would probably be considered as located at Apartment 27, 1067 Alta Avenue, Northeast, Atlanta.

Second source advised that women dominated the founding conference and have continued to dominate NSC meetings to the point that "women's liberation" has apparently become the RYM's principal issue - also that RYM's poor financial condition has resulted in its failure to publish a paper. During early 1970, RYM has decided to cater to the working class rather than youth, since the potential for social revolution lies in workers.

A third source has stated that it was decided at the March, 1970, NSC meeting that RYM women had decided the organization will be molded into a "working class, Marxist-Leninist, revolutionary, anti-imperialist, problack nationalist, people's women's liberation organization."

THIS SOURCE ADVISED SEVERAL VVAW MEMBERS INDICATED THEY WERE DISAPPOINTED IN THE NUMBER COMING TO TALLAHASSEE, BUT STATED THAT MEMBERS WOULD PROBABLY "TRICKLE" INTO THE CITY DURING THE NEXT FEW DAYS. SOME CONSIDERATION IS BEING GIVEN TO USING TALLAHASSEE AS A MEETING PLACE OR STAGING AREA PRIOR TO THE VVAW CONTINGENT GOING TO THE REPUBLICAN CONVENTION IN MIAMI. HOWEVER, THERE APPEARS TO BE NO DEFINITE PLANS AND APPEARS TO LACK OF LEADERSHIP.

SOURCE ADVISED THAT VVAW MEMBERS REQUESTED ASSISTANCE IN FUNDS OR SHELTER BUT INDICATED ANY ORGANIZATIONAL ACTIVITY WOULD BE CONFINED TO THE VVAW. THE VVAW HEADQUARTERS IN TALLAHASSEE, PRESENTLY AT THE UNITED MINISTRY CENTER, NEAR FSU. SOURCE ESTIMATED FIFTEEN TO TWENTYVVAW MEMBERS PRESENTLY IN TOWN STAYING THAT LOCATION OR AT OTHER RESIDENCE IN THE AREA.

NOTE:

Federal Grand Jury, Tallahassee, indicted six members of VVAW on 7/13/72 for violation of Federal statutes. All members indicted for conspiracy to create riots but other substantial charges brought against Scott Camil, violence-prone VVAW leader in Florida. Indictment specifically states that Camil had in his possession number of high-powered slingshots called "wrist rockets" capable of causing injury or death and also that Camil demonstrated unlicensed incendiary device made of potassium permanganate immersed in glycerin. Absolutely imperative that all possible corroborating physical evidence be obtained immediately to assist in preparation for trial in this matter.

NOTE:

As a result of Federal Grand Jury action, Tallahassee, 7/13/72, six VVAW members indicted for violation of Federal laws, including conspiracy to riot during forthcoming national political conventions and use of high-powered slingshots to cause injury. During 6/72 Scott Camil, indicted Florida VVAW leader, wrote letter enclosing slingshot supposedly to all VVAW regions. Important supporting evidence can be obtained if it can be demonstrated just how extensively Camil disseminated his letter and his slingshots and the reaction of VVAW members who received them. Leads being set to all offices covering VVAW regional headquarters and teletype being utilized in view of critical time element in developing all important evidence for use at trial.

FOR IMMEDIATE RELEASE  
 FRIDAY, JULY 14, 1972

Six members of the Vietnam Veterans Against the War (VVAW) have been indicted on federal charges of conspiring to attack police officers and station houses with automatic weapons, fire bombs and other devices in Miami Beach, Florida, next month, Attorney General Richard G. Kleindienst announced today.

The indictment said the planned attack was scheduled to take place sometime during August 21, 22 or 23, which are the dates of the Republican National Convention.

Mr. Kleindienst said the three-count sealed indictment was returned last night in U.S. District Court in Tallahassee, Florida, and unsealed today when several of those indicted were arrested by FBI agents.

Indicted were:

-- Scott Camil, 26, of Gainesville, Florida, a student at the University of Florida at Gainesville and VVAW coordinator for the Southeastern United States;

-- John W. Kniffin, 32, of Austin, Texas, VVAW regional coordinator for Texas;

-- William J. Patterson, 24, of Austin, Texas, a member of VVAW;

-- Peter P. Mahoney, 23, of New York City, staff of the national VVAW office in New York City;

-- Alton C. Foss, 25, of Hialeah, Florida, a member of the Dade County, Florida, VVAW; and,

-- Donald P. Perdue, 23, of Hollywood, Florida, a member of the Broward County, Florida, VVAW.

Camil, Kniffin, Mahoney and Foss have been arrested.

The first count of the indictment charged Camil with teaching others how to build and use incendiary devices in full knowledge that the devices could cause injury or death to persons and would be used unlawfully in furtherance of civil disorder.

The second count charged Camil with possessing an unregistered explosive device, described in the indictment as "potassium permanganate placed in glycerin."

The third count charged all six defendants with conspiring to organize "fire teams" to attack Miami Beach police stations, police cars and stores with automatic weapon fire and incendiary devices, and with planning to use wrist rocket slingshots and crossbows to fire lead weights, cherry bombs, ball bearings and marbles at police.

The indictment said that as of last May 27 Camil possessed about 20 wrist rocket slingshots.

Maximum penalty upon conviction for teaching use of destructive devices is five years in prison and a \$10,000 fine; for possession of an unregistered explosive device, 10 years in prison and a \$20,000 fine; and for conspiracy, five years in prison and a \$10,000 fine.

Q1 "Wrist Rocket" hunting sling

## Result of examination:

The Q1 hunting sling was found to require approximately twenty pounds of pull for a thirty inch draw which propels a .25 inch diameter ball bearing at an average velocity of approximately 203 feet per second. At this velocity, the ball bearing dented a pine board to the depth of approximately .10 inch. In comparison, a .25 Auto caliber Colt automatic pistol was fired with an average muzzle velocity of approximately 746 feet per second at which time the bullets completely penetrated two .75 inch pine boards and lodged in the third. The above tests were conducted at a range of approximately six feet.

At a range of ten feet, a .25 inch diameter ball bearing penetrated a telephone directory to a depth of approximately .19 inch and a .64 inch diameter glass marble penetrated the same directory to a depth of approximately .23 inch.

At twenty feet, the ball bearing dented a pine board to the depth of approximately .10 inch and the marble dented the board to a depth of approximately .20 inch. The ball bearing and a marble were shot at a plate of 25-gauge galvanized sheet metal with appreciable denting but without penetration.

Glass marbles were altered by subjecting them to heat and a cold water quench. When fired by Q1 against a hard surface such as a brick or metal, the marbles shattered with extreme fragmentation.

With very limited practice using Q1 and .25 inch diameter ball bearings, it was possible to hit a man size target at a range of twenty-five yards with a consistency of approximately forty per cent.

FROM [REDACTED]

SUBJECT: VIETNAM VETERANS AGAINST THE WAR (VVAW)  
INTERNAL SECURITY - REVOLUTIONARY ACTIVITIES

PURPOSE:

To recommend that FBI Laboratory conduct experiments and tests with high-powered slingshots called "wrist rocket" which VVAW members have designated as the major weapon to be utilized in disruptions during the forthcoming political conventions.

BACKGROUND:

THE DEPARTMENT AND LAW ENFORCEMENT AGENCIES HANDLING CONVENTION PROBLEMS, AS WELL AS SECRET SERVICE, ARE AWARE OF POSSIBLE USE OF THIS WEAPON IN

Federal Grand Jury (FGJ) will commence in Tallahassee Florida, 7/7/72, to hear evidence from [REDACTED] with view toward indictment of certain VVAW leaders for violations of Federal laws including antiriot statute.

[REDACTED]

[REDACTED] has been contacted and has stated that from experience, this slingshot has power of 30-pound bow and would have similar effectiveness. Slingshot will sling marbles or ball bearings 200 yards and would be very accurate at this distance with sufficient practice,

and with considerable practice one could be extremely accurate at 30 to 40 yards. An official of the company in San Gabriel, California, which manufactures these slingshots has stated that the weapon's effective range is 25 to 30 yards and maximum is 225 yards. It produces 50-pound pull and velocity of projectile fired is unknown. Manufacturer advised ammunition sold is rejected ball bearings of approximately .25 caliber.

[REDACTED]

Agent [REDACTED] who received wrist rocket from [REDACTED] has maintained custody of weapon and has sent it sealed as evidence to personal attention of Bureau Supervisor [REDACTED] Domestic Intelligence Division.

OBSERVATIONS:

In view of fact wrist rocket has been designated as major VVAW weapon for demonstrations and large numbers have been purchased by Camil and sent to VVAW regional coordinators through U.S., it is desirable that independent tests be conducted by FBI experts [REDACTED]

It is also recommended that experiments be conducted using glass marbles prepared [REDACTED]

Tests should be designed to determine damage done to soft wood, such as pine, or metal or other suitable objects at various ranges using both marbles and steel ball bearings of approximately .25 caliber size. In view of fact commencing of FGJ session is imminent, it is recommended that such tests be conducted expeditiously.

RECOMMENDATION:

If approved, sealed wrist rocket will be personally delivered to designated representative of FBI Laboratory by Supervisor [REDACTED] for pertinent testing.

MM 176-36

On July 14, 1972, ALTON C. FOSS was brought before U.S. Magistrate PETER R. PALERMO, Miami, Florida, and advised of the charges against him. The attorney for FOSS stipulated identity. Bond recommendation was \$25,000, cash or surety. FOSS advised under oath that he holds exclusive title to his residence, 541 East 45th Street, Hialeah, Florida, the fair market value of which he estimated to be \$22,000. He also stated that he receives \$170 monthly disability pay from the Federal Government for a leg wound incurred in Vietnam during U.S. Navy service. FOSS added that he has lived in the Miami, Florida area his entire life with the exception of military service time in the mid 1960s and one subsequent year in New Jersey. He noted also that he will undergo surgery for the sixth or seventh time on his injured leg at the Veterans Hospital, Miami in August, 1972. This surgery is vital and he would be unable to pay to have it done elsewhere. He admitted that he is currently on probation for local charges of breaking into an automobile. He claimed to have no other criminal record. He said he has one firearm, a double barreled shotgun, which he will turn over to his attorney.

U.S. Magistrate PALERMO ordered the release of FOSS on \$25,000 own recognizance bond, noting that the real property of FOSS would be readily attachable, though no lien was placed, in the event FOSS failed to present himself for trial. FOSS was ordered to place no incumbrances on his residence prior to trial.

On July 17, 1972, DONALD P. PERDUE was surrendered to the U.S. Marshal, Miami, Florida by his attorney LEONARD FLEET of Ft. Lauderdale, Florida.

On July 17, 1972, PERDUE was brought before U.S. Magistrate PALERMO and advised of the charges against him. His attorney stipulated identity. Recommended bond was \$25,000, cash or surety. PERDUE requested a reduction in bond and U.S. Magistrate PALERMO recessed the hearing until July 18, 1972.

MM 176-36

On July 18, 1972, U.S. Magistrate PALERMO set \$25,000 cash or surety bond for PERDUE. In lieu of bond he was remanded to the custody of the U.S. Marshal, Miami, Florida.

On July 18, 1972, [REDACTED] Office of the U.S. Magistrate, Miami, Florida, advised that the bond for FOSS had been transferred to the Clerk of the U.S. District Court, Tallahassee, Florida.

She said that no removal hearing would be necessary for PERDUE because he was arrested within the State of Florida.

On July 18, 1972 [REDACTED] Deputy U.S. Marshal, Miami, Florida, advised that PERDUE would be removed to the custody of the U.S. Marshal, Tallahassee, Florida, on a routine basis. She continued that the removal will probably be carried out this weekend, July 22-23, 1972, or early next week.

On 7/18/72, [REDACTED] advised that [REDACTED] a Sacramento area VVAW member, was present in Miami during a portion of the recent Democratic National Convention.

[REDACTED] voiced the expectation that there would be a fairly good VVAW representation in Milwaukee from the San Francisco Bay area.

b2  
b7C  
b7D

[REDACTED] further advised that the VVAW has begun a project called "Operation Last Patrol", which is a national effort to bring VVAW members to Miami during the Republican National Convention, 8/21-24/72. Friends and associates of the VVAW are also being invited to join in "Operation Last Patrol" but will be governed by the rules set forth by the VVAW itself. VVAW members will be transported to Miami by caravan from the West Coast beginning in Seattle, Washington, and on to Portland, Oregon and San Francisco, California, with departure from San Francisco scheduled on or about 8/14/72. This segment of the caravan would then continue on through Sacramento, California; Salt Lake City, Utah; Denver, Colorado; and Shreveport, Louisiana, picking up as much support as possible along the way. Another caravan will proceed from Los Angeles and travel across the Southwest to finally meet with the Seattle caravan somewhere in Georgia before continuing on to Miami. Other caravans making up "Operation Last Patrol" will swing through principal cities of the Midwest and down the Eastern Seaboard. Source had no additional information as to the possible number of persons or vehicles to possibly constitute these caravans but voiced the expectation that it would not be very large due to financial considerations more than anything else.

SUBJECT: VIETNAM VETERANS AGAINST THE WAR (VVAW)  
IS - REVOLUTIONARY ACTIVITIES

At approximately 5:00 p.m. 7/24/72, SA [REDACTED] currently assigned to Inspection Division but previously assigned to Domestic Intelligence Division (DID), telephonically contacted Supervisor [REDACTED] DID, and advised that a Deputy U.S. Marshal (DUSM) from Tallahassee, Florida, had just contacted him regarding service of subpoena for appearance in U.S. District Court, Tallahassee, 2:00 p.m., 7/25/72. Subpoena issued at request of defense attorneys connected with VVAW members indicted by Federal Grand Jury (FGJ) 7/13/72. It is noted SA [REDACTED] has no connection whatsoever with this case and would be in no position whatsoever to testify. Immediately subsequent to SA [REDACTED] telephone call, Supervisor [REDACTED] was contacted by DUSM [REDACTED] in Washington, D.C., who inquired concerning [REDACTED] whereabouts to serve subpoena. DUSM [REDACTED] was advised that [REDACTED] is no longer assigned to DID and that his whereabouts could be determined through contact with Bureau switchboard. At approximately 5:36 p.m. Supervisor [REDACTED] was telephonically contacted by an individual identifying himself as Phillip Hirschkop, well known Washington, D.C. attorney for individuals and groups of New Left. Hirschkop was also inquiring as to whereabouts of [REDACTED] indicating that he was attempting to see that [REDACTED] was served with subpoena. Despite Hirschkop's arrogance and surly demeanor on the telephone, he was courteously referred to Bureau switchboard with explanation that SA [REDACTED] is no longer assigned to DID. Simultaneous with Supervisor [REDACTED] telephonic contact with Hirschkop, SA [REDACTED] contacted SA [REDACTED] Office of Legal Counsel, and advised him of developments. SA [REDACTED] indicated that SA [REDACTED] should make no effort to avoid being subpoenaed but that Departmental attorneys and U.S. Attorney, Northern District of Florida, should be immediately advised in order that efforts could be instituted promptly to quash subpoena on grounds that SA [REDACTED] has no connection whatsoever with case in question.

Memorandum to Mr. E. S. Miller  
RE: Vietnam Veterans Against the War (VVAW)  
100-448092

At 5:40 p.m. SAC [redacted] Jacksonville Division, was instructed to have Departmental Attorney Guy L. Goodwin, currently in Tallahassee for hearings in this case, immediately advised of this development and to insure that Assistant U.S. Attorney (AUSA) Carrouth, handling case in Tallahassee, also advised.

At 9:30 a.m. 7/25/72 DUSM [redacted] telephonically contacted Supervisor [redacted] and stated he was, at that time, attempting to locate SA [redacted] for service of subpoena mentioned previous evening. DUSM [redacted] was advised that SA [redacted] was currently located at Alexandria FBI Office and could be served subpoena there. At 10:30 a.m. 7/25/72 Senior Resident Agent [redacted] Tallahassee, Florida, telephonically advised SA [redacted] that AUSA Carrouth and Departmental Attorney Goodwin would make efforts at approximately 1:00 p.m. that date, upon appearance at U.S. District Court of Federal Judge Middlebrooks, to have subpoena for [redacted] quashed. AUSA Carrouth advised that under no circumstances should SA [redacted] travel to Tallahassee in response to subpoena, that the subpoena was not authentic in that a check for his one day lodging and travel expenses not attached to subpoena and that subpoena in present form would not be valid beyond 100 miles. AUSA Carrouth advised he was instructing U.S. Marshal, Tallahassee, to contact U.S. Marshal, Washington, D.C., to stop service of subpoena.

At close of business 7/25/72, SA [redacted] advised that he had not been served subpoena as of that time. At 5:17 p.m. 7/25/72 Supervisor [redacted] Jacksonville Division, telephonically advised SA [redacted] that Government attorneys had successfully quashed subpoena for SA [redacted] during afternoon 7/25/72.

OBSERVATIONS:

Reason for subpoena of SA [redacted] in this matter not readily apparent although strong possibility exists that he was to be subpoenaed for testimony relating to electronic surveillance coverage of VVAW members. It is noted that SA [redacted] participated in investigation of East Coast Conspiracy to Save Lives (EASTCON) case and testified during trial at Harrisburg, Pennsylvania, on two occasions relating to electronic surveillance coverage of EASTCON subjects. It appears that New Left attorneys handling instant case have begun campaign of frivolous motions and other harassing tactics to cloud and delay Government's case against VVAW members.

ACTION:

For your information.

[redacted] (reliable) advised on 7/18/72 as follows re captioned organization and its participation in the protest activities at the Democratic National Convention, Miami Beach, Florida.

The individual who appeared to be regarded as the leader and coordinator of VVAW activities at the convention was BARRY ROMA (ph) believed to be from New York. His chief assistant was one RUSS (LNU) also possibly from New York.

[redacted]

At the Convention VVAW members generally aligned themselves with the "Coalition", a group opposed to any violent activity such as the SCIC and NWRO. Source is of the opinion that VVAW will not become involved in violent activity at the Republican National Convention unless "pushed into it by repressive police action". Some members, however, intend to bring helmets and gas masks to the Republican National Convention but source feels these are more with defensive than offensive intent.
